

TAG Organization, UNRWA sign agreement

AMMAN (Star) - A cooperation agreement was signed last Monday at Talal Abu-Ghazaleh College of Business (TAG-College) between Talal Abu-Ghazaleh Organization (TAG Organization) and the United Nations Relief and Works Agency for Palestine Refugees in the Near East (UNRWA).

The agreement was signed in the presence of Mr Talal Abu-Ghazaleh, TAG Organization chairman, and under his sponsorship. The said agreement stipulates for providing a donation to equip and commission a facility for e-training in the Community Development Center in Gaza refugee camp in Jerash/Jordan.

The agreement was signed by Mr Pascal Deleu, the field administration officer of UNRWA-Amman and Mr Qais El-Khalafat, the executive director of Talal Abu-Ghazaleh Academies.

Abu-Ghazaleh expressed his pleasure with this achievement since it contributes to the qualification of young people in learning how to master computer and language skills, which are deemed basic requirements for the labor market. He stressed that whatever is provided by the Organization in this area is part of its social responsibility towards society. The newly established facility will work on qualifying the

young participants of the refugee camp to obtain Abu-Ghazaleh Cambridge IT Skills Certificate, and conduct a training program that consists of subjects such as Introduction to Information Technology, Word Processing using MS Word, Presentations using MS PowerPoint and others.

The Community Development Center will also offer English language skills and other training courses, and will be operated under UNRWA's supervision.

TAG Organization shall provide computers, equipment, tools and necessary furniture, in addition to facilitating discounts for both training and examinations offered by the Center. Moreover, the Organization shall hold training courses at no cost for the Center's taskforce and shall qualify trainees from the Gaza camp to become certified instructors for teaching the Abu-Ghazaleh Cambridge curriculum. It is noteworthy that TAG Organization has signed an exclusive agreement with the University of Cambridge International Examinations to establish licensed training centers in all Arab countries.
