

Talal Abu-Ghazaleh Organization

The Global Organization for Professional Services and Education

Bahrain Office

43 years of serving the national economy
Partners in the development and construction journey

**His Majesty Sheikh Hamad bin Isa Al Khalifa,
His Majesty King Abdullah II and HE DR. Talal Abu Ghazaleh**

**H.R.H. Prince Salman Bin Hamad Al Khalifa, Crown Prince of the Kingdom of Bahrain,
with HE DR. Talal Abu Ghazaleh**

Throughout its history, the Kingdom of Bahrain has acquired a global reputation as a financial hub and an investment and business destination, given its location and business-friendly environment. This is reflected in the set of laws and rules enacted to promote the economic development of the country as well as to ensure its stability and the establishment of the rule of law.

Since the early 1970s, when TAG-Org entered the Bahraini market, taking advantage of this welcoming atmosphere of the business world, we have provided professional services to all sectors of the national economy, including auditing, economic consulting, companies incorporation, trademarks registration, translation, legal consulting, administrative and scientific capacity building, development of professional competencies, support of development plans and programs, information technology, e-commerce, e-government as well as other services rendered to economic and development institutions and sectors and in the educational field.

TAG-Org has grown, developed and expanded its professional role, keeping pace with the rapid development witnessed by the Kingdom in all fields. TAG-Org prides itself on establishing a building for the Organization in a distinguished location in the Capital to meet the expansion in its professional businesses and services.

Capitalizing on our diversified knowledge of the socio-economic and regulatory environment of the Arab region, TAG-Org has consistently contributed to and assisted in the building of the human capacities needed to modernize and develop Arab institutions.

TAG-Org conducts its business through highly experienced specialists from different nationalities who predict economic and social trends based on their extensive knowledge of the region and evaluate alternatives to determine the most customized solutions for current and anticipated problems.

We firmly believe that it is our duty and professional responsibility to abide by the professional and ethical principles. All TAG-Org services are provided with honesty, integrity and high degree of diligence, dedication and perseverance.

We are especially grateful for the facilities provided by the competent authorities in Bahrain at all levels that have enabled us to harness the available expertise to support enterprises and businesses as well as the public sector. TAG-Org has acquired a good reputation in all quarters and has received support and sponsorship from public officials, leaders of economic sectors and the business community.

Our Professional Services in the Kingdom.....

His Royal Highness Prime Minister Prince Khalifa bin Salman Al Khalifa with HE DR. Talal Abu Ghazaleh

Since the establishment of Talal Abu Ghazaleh and Co. International (TAGI-Auditors) in 1972, TAG-Org companies have been providing high-quality professional services in numerous fields to all Bahraini institutions as well as to the private sector. These services include:

- Internal auditing to ensure that procedures and statements are made according to established standards, practices and instructions.
- External auditing of financial statements and accounts, and issuing balance sheets according the International accounting standards (IASs).

- Preparing economic feasibility studies for projects.
- Providing economic consulting services.
- Developing strategic IT plans.
- Information technology audit, applying international standards in web design and conducting objective evaluation for IT environment controls, reliability and integration.
- Auditing websites, providing online solutions and assisting to improve websites.
- Providing consultancy in relation to drafting IT service contracts.
- Performing tasks of information governance which ensure efficient achievement of institutions' objectives, efficient utilization of resources and enhancement of the capability to control any probable internal discrepancies.
- Applying ISO 27001 (information security management system) and developing the information security structure as per the international standard that provides a model for creating, implementing, operating, controlling, reviewing, maintaining and improving the information security management system.

His Royal Highness Prince Khalifa bin Salman Al Khalifa with HE DR. Talal Abu Ghazaleh and Heads of Delegations in the Third Arab International Accounting Conference

- Developing websites, assuring their quality, examining websites performance according to the international standards, providing online solutions and improving websites.
- Applying Moodle system for e-learning management.
- Preparing studies related to intellectual property.
- Trademarks registration.
- Organizing specialized training courses in all business sectors.
- Providing qualification programs for the International Arab Certified Public Accountant “IACPA”, the Arab Certified Intellectual Property Practitioner “ACIPP”, the Arab Certified IP Licensing Practitioner “ACIPLP” and the Arab Certified Quality Manager “ACQM”.
- Managing the SMEs program.

Bahraini ministers and figures receive the Chiaman and members of the International Arab Society Certified Accountants

HE DR. Talal Abu Ghazaleh receives an appreciation shield from His Excellency Ali Bin Saleh Al Saleh, Chairman of the Shura Council

Talal Abu-Ghazaleh University College of Business (TAG-UCB)

Given the significance of Bahrain's location in the Gulf region as a financial and business hub, HE Dr. Talal Abu Ghazaleh took the initiative of establishing Talal Abu-Ghazaleh University College of Business in Manama as a global business college under TAG-Org umbrella. TAG-Org prides itself on the role it plays as well as its crucial professional presence in all business sectors of the Arab countries. It also prides itself on the expertise acquired over the past decades which it has harnessed in support of economic and social development of the country.

TAG-UCB will be a center of excellence graduating forward-looking leaders from Bahrain and other Gulf states in the business field, who will be capable of making the future. State-of-the-art classrooms were designed and equipped with the latest technological tools, and e-infrastructure was also developed to enable students to electronically receive materials, information and administrative transactions. In addition, a set of programs and courses were designed according to the established international standards. TAG-UCB awards the bachelor degree in the following specializations:

- Accounting
- Management
- Logistics

Work is well underway to launch new programs upon the approval of the Higher Education Council, namely:

- Islamic banks
- Finance and banking
- Marketing
- Human resources management
- Entrepreneurship and e-business
- Master of business administration

TAG-Org

Founded in 1972, TAG-Org is a global organization of professional services, operating out of its 80 offices world wide, North Africa, Pakistan, India and China. It has representative offices in Europe and North America and non-exclusive strategic alliance agreements with various networks and individual firms, thus enabling it to choose a firm best suited to its clients, needs in virtually every country in the world.

TAG-Org offers, through its member firms, a composite range of professional services covering the following: Accounting; External Audit; Internal Audit; Corporate Governance; Taxation; Educational Consultancy; Economic and Strategic studies; Management Advisory Services; Professional and Technical Training; Technology Transfer Project Management; Real Estate Management; Investors and Business Advisory Services; Human Resources and Recruitment Services; E-Government; E-Commerce; E-Education; IT and Security Audit; Web mastering and Web Design; Professional Interpretation and Translation; Website Arabization: Domain Names Registration; ICT Strategic Planning; ERP Consulting Services; IT and Internet Skills Training and Examinations; Intellectual Property News Agency; IP Business and Asset Valuation and Branding Services; IP Registration and Protection; Intellectual Property Renewals; IPR Protection and Management; Legal Services (Solicitors and Attorneys); and Public Offering.

Collectively, these firms form the largest pan-Arab professional group offering diversified yet interrelated services in accordance with the highest international standards.

With offices throughout the Arab world, TAG-Org is established to serve the Arab countries and foreign investors interested in conducting business in this region. TAG-Org operates out of offices established in every major city in the Arab world. This makes us the only regional firm of international, multilingual, highly trained professionals, providing diversified services worldwide.

Capitalizing on our diversified knowledge of the socioeconomic and regulatory factors governing the Arab region, TAG-Org recognized the need to contribute and assist in building the capacities and enhancing the development of the Arab institutions in order to ensure the continuity and sustainability of developing and modernizing the Arab region. TAG-Org achieves its needs through reliance on highly experienced specialists from different nationalities who predict economic and social trends based on their extensive knowledge of the region and evaluate alternatives to determine the most customized solutions for current and anticipated problems.

TAG-Org has acquired an outstanding record of success among its clients, which include competent agencies, international and pan-Arab governmental funding organizations, as well as leading entities in the areas of banking, industry, insurance and commerce. We have successfully assisted our clients with complex business and management decisions involving managerial and technical services.

H.E. Dr. Fatima bint Mohammad Al Balushi, Minister of Human Rights and Social Development, receives HE DR. Talal Abu Ghazaleh

Mission Statement

Our mission is to offer our clients a complete range of high-quality professional services and to provide opportunities for our staff to qualify at the highest international standards so they may contribute to the economic, social, and cultural development of the Arab world in the context of the global economy.

Goals

Equipped with extensive and unrivalled business experience in the Arab region, combined with our in-depth knowledge of the socio-economic environment, TAG-Org has the ability to customize its services to match its clients' needs. By utilizing the expertise of its diverse, multinational and dedicated personnel, TAG-Org commits itself to fulfilling the needs of an evolving world market.

Professional Responsibility

We believe that it is our obligation to adapt and abide by the most ethical professional principles. All TAG-Org services are rooted in integrity and carried out with diligence. We strive for perfection and creating a professional role model for others to follow. We are proud that our principles are never compromised.

Corporate Operation Standards

TAGorg implements a general framework of policies concerning professional practices, staff management, and the execution of programs throughout its offices, which, while making us unified and united as a group, still allows individual contributions to positively influence our progress and development. We have a dedicated quality control department that requires each office to regularly undergo a peer review, carried out by other TAG-Org offices, to confirm that the method and quality of work are consistent with those of our network, worldwide.

Our People

TAGorg strength comes from its people. We are proud of diverse nationalities and backgrounds that characterize our staff. TAG-Org has dedicated itself to hiring not only experienced staff, but also young people fresh from universities across the world to ensure a wealth of varied knowledge and cultures. All of our staff are professionally qualified, and many are internationally accredited by various certification boards.

Continuous Development

We constantly design and implement development programs aimed at improving and upgrading our ability to provide the highest quality and the most comprehensive array of services to our clients. Each employee belongs to a team of professionals. Each is personally committed to the improvement of our services to our clients.

Professional Integrity

At TAG-Org, we abide by the principles of absolute integrity and deal with all of our clients' information in strictest confidence. We ensure that each individual within the firm upholds our principles and is well aware that any action that adversely affects our integrity or image has never been and will never be permitted.

Our International Aspirations

We believe that it is our duty, at both the national and international levels, to provide services to the Arab region in accordance with the highest international standards. Although TAG-Org is an Arab institution, we are well recognized internationally and thus, can offer our region the same quality of services as provided by the best practicing organizations in the world.
