**The late President His Highness Sheikh Zayed bin Sultan Al Nahayan,
the founder of the United Arab Emirates**

Founded in 1972, the year of the independence of the Gulf States, TAG-Org offices have spread rapidly throughout the Gulf region in the past four decades. Today, TAG-Org has a presence in all major centres of the UAE, including in Abu Dhabi, Dubai, Sharjah, Ras al-Khaimah, Al Ain, Ajman, Fujairah, Umm al-Quwain, Al Hamriya and Jebel Ali.

One of the important trends in the country during the period since its independence has been the Arabization of its institutions. TAG-Org offices in the UAE have contributed to this Arabization process by the preparation of feasibility studies for projects, companies and banks and to human capacity building to run these institutions successfully.

Since the 1980s, TAG-Org has managed to become the foremost company in the accounting and auditing field taking a lead position by overtaking foreign companies. Our success has come through persistent hard work, enhanced education and training of our work-force and by keeping up with the latest developments in the accounting field.

TAG-Org's efforts in this regard have culminated in the establishment of the International Arab Society of Certified Accountants "IASCA" which has facilitated the graduation of thousands of Arab and Gulf citizens with advanced professional certificates.

The United Arab Emirates has always been and continue to be the incubator of TAG-Org businesses and activities which, in turn, have made a significant contribution to the rapid growth and development of its economy.

**His Highness Sheikh Khalifa bin Zayed bin Sultan Al Nahyan,
the President of the United Arab Emirates**

In this context, TAG-Org Founder and Chairman, Dr. Talal Abu Ghazaleh, always emphasizes the important role of the UAE, in particular, and of the GCC States, in general, in the expansion and growth of TAG-Org as these countries have been the most hospitable to loyal and hard-working expatriates. They have enacted laws and rules that provide all the necessary support and sponsorship for expatriates to achieve their full potential. As a result, TAG-Org has achieved outstanding success and, in doing so, has been instrumental in the advancement of the economy and the society as a whole.

TAG-Org offices in the UAE, which constitute a part of the network of a global organization, have provided throughout the last four decades a broad spectrum of diversified and interrelated services to businesses and to the public sector, in accordance with the highest international standards. These services include Accounting; External Audit; Internal Audit; Corporate Governance; Taxation; Educational Consultancy; Economic and Strategic studies; Management Advisory Services; Professional and Technical Training; Technology Transfer; Project Management; Real Estate Management; Investors and Business Advisory Services; Human Resources and Recruitment Services; E-Government; E-Commerce; E-Education; IT and Security Audit; Webmastering and Web Design; Professional Interpretation and Translation; Website Arabization: Domain Names Registration; ICT Strategic Planning; ERP Consulting Services; IT and Internet Skills Training and Examinations; Intellectual Property; News Agency; IP Business and Asset Valuation and Branding Services; IP Registration and Protection; Intellectual Property Renewals; IPR Protection and Management; Legal Services (Solicitors and Attorneys); and Public Offering.
