

Dear Gentlemen,

First of all we would like to thank all Abu gazaleh senior management for sending such a talented consultants on our request.

Secondly I would like to say thank you very much Mr. Haytham for the excellent Arabic training that you presented to Senior partners & our saudi staff ,It was also the best training that our saudi staff had.

Also I would like thank Mr. Atiq for your detailed and informative presentation regarding the Value Added Tax (VAT) in English.

those two training were really helpful and I am sure it will help our team to follow the rules and regulation correctly. I got excellent feedback from them about your presentation. As al Shareef once again we just want to say thank you very much for using your holiday to give us such a valuable training on VAT as it is around the corner

In both ways our partners were fully satisfied with your services and commitment we have high regards for that. In the future if we need any support from Abu Gazaleh about the VAT we will definitely contact you.

Regards,
