Your Excellency & dear Friend Talal Abu Ghazaleh,

Please accept my heartiest felicitations on the well-deserved honours conferred on you by H.E. Mr. Xi Jinping, the President of the People's Republic of China in recognition of your distinguished contributions. It is indeed well deserved and I am quite confident, is merely a beginning for China appreciating your exceptional talent and commitment to the cause of humanity, education and other laudable objectives. I am also very happy to know of your close association with India and your special affection for me personally.

Please accept, Excellency, the assurances of my highest consideration.

Regards
