Your Excellency,

I would like to express my special thanks for the great initiative of holding roundtable discussions on the "EU-Jordan Relationship" that took place on 19 April 2015.

I very much enjoyed the discussion with the participants and was particularly impressed by your enlightened ideas. Your invaluable contribution in the academic and business domains is widely recognised and it continues to leave a huge imprint locally and internationally.

Please accept the assurance of my highest consideration and I look forward to further mutual cooperation for the prosperity of Jordan.
