The 3rd German-Arab Environment & Energy Forum

Your Excellency,

I hope this letter finds you in best spirits and health.

Subsequent to the 3rd German-Arab Environment & Energy Forum *Shaping Transition Sustainably: Future Technology for Today!* I would like to express once again the Euro-Mediterranean-Arab Association's gratitude for Your support of this highly prestigious event.

Your unique insights and expertise provided a valuable contribution to the success of the forum. The EMA is proud that through joint efforts a platform for intensified Arab-German economic relations and supporting the Arab regions efforts towards a sustainable economic transition has been created.

Furthermore, I hope the forum provided You with new insights and valuable contacts. The EMA is looking forward to a continued exchange and collaboration with You.

Please find attached several pictures from the 3rd German-Arab Environment & Energy. As always a detailed report about the forum can be found on our website: ema-germany.org. Moreover, we are delighted to inform you that the forum got a lot of media attention such as by, Jordan News Agency, Albawaba, and Aldustur.

Yours sincerely,

Gabriele Groneberg
