Dear Sir/Madam,

We would like to express our extreme gratitude for the consistent efforts exerted during the last 10 years of our professional relations in developing the ISO 9000:1994 system in 2001 and its update to ISO 9001:2000 in 2004 and then conversion to ISO 22000: 2005 in 2010 which involved technical assistance, training and close supervision to overcome the obstacles and build capacities.

Therefore, on my behalf and on behalf Mona Cool(Natural Spring Water)sarl, I would like to mention my sincere appreciation to Aldar consulting – Talal Abu Ghazaleh Associate Limited and Mr Akram Rayess who led these assignments for this valuable dedication and contribution in our certification and maintenance of ISO 9001 and 22000.

I hope that this collaboration continues in upcoming milestones.

Thanking you once again for your constant cooperation with us.

Omar Addam

Plant Manager
