Talal Abu-Ghazaleh E-Training in Jordan Organized a Training Course for Elia Nuqul Foundation

Amman - Talal Abu-Ghazaleh E-Training organized a training course for a group of students on computer skills in Irbid city.

During the course, the trainees have been provided with the skills of using the computer through seven modules, including Introduction to IT, Computer use and Files Management, Word Processing, Spreadsheets, Presentations, Database, Electronic Communications.

Talal Abu-Ghazaleh E-Training Center was established in 2001, it is focused on providing high-quality IT Skills assessment services in the Arab world through partnership with leading institutions.

Talal Abu-Ghazaleh E-Training Center seeks to further broaden its reach in the region, offering IT assessment services on specific software applications.

The Elia Nuqul Foundation (ENF) was established in 2008 by the Nuqul

family as a sustainable philanthropic entity focusing on social development initiatives in the field of education benefitting individuals and local communities within the Hashemite Kingdom of Jordan. The Foundation is governed by a Board of Trustees that is comprised of individuals with expertise from the private and civic sectors so they may guide the Foundation's operational and technical activities in a strategic, sound and transparent manner, as well as ensure adherence to sound governance principles.

Talal Abu-Ghazaleh E-Training in Yemen has completed the Talal Abu Ghazaleh International Diploma in IT Skills

Sana'a - Talal Abu-Ghazaleh E-Training has completed a training course for a group of candidates on computer skills.

The aim of this training course, which was attended by 17 candidates, is to train them to use a number of programs of Talal Abu-Ghazaleh International Diploma in IT Skills (TAG- DIT).

During the course, the trainees have been provided with the skills of using the computer through several modules, including Computer use and Files Management, Word Processing, Spreadsheets, Presentations, Electronic Communications. Talal Abu-Ghazaleh E-Training Center

was established in 2001, it is focused on providing high-quality IT Skills assessment services in the Arab world through partnership with leading institutions.
