### Accrediting three new centers in Yemen to grant Talal Abu-Ghazaleh International Diploma in IT Skills (TAG-DIT)

Yemen- Talal Abu-Ghazaleh E-Training accredited three new centers in Yemen for training and examination services for granting Talal Abu-Ghazaleh International Diploma in IT Skills (TAG-DIT). The new centers are :

1. First Zone for Training and Qualifying
2. Lan Tech Training & Education
3. Roots Institute For Training and Qualifying

This unique diploma offers an opportunity to apply for two levels (Foundation and Advanced). The “Foundation level” is developed for candidates who aspire to develop practical IT skills, such as competently using software word processing, file management and Internet related skills. Candidates are awarded the certificate of Talal Abu-Ghazaleh International Diploma in IT Skills once they have successfully passed the appropriate exam.

As for the “Advanced level”, it builds on the basic level training by providing advanced skills and training ensuring that candidates

possess the specialized and advanced IT skills needed by employers.

The advantages of TAG-DIT Diploma:

1. Bilingual: The examination may be provided either in Arabic or in English.
2. Credibility: Correcting examinations is done electronically without human intervention.
3. Speed: On the trainee screen, examination results are presented immediately after the exam is over.
4. Flexibility: The option of applying to the examinations is available at any time and at any of the approved centers.
5. Gradual promotion: The certificate shall be awarded in accordance with the passed modules, starting from the first module and so on.
6. The certificate is issued by Talal Abu-Ghazaleh E-Training Center.
7. There is no registration fee.
