

A delegation from Queen’s University Belfast, UK, visits Talal Abu-Ghazaleh University College for Innovation-TAGUCI

Amman 1-Nov-2018

A delegation from Queen’s University Belfast visited Talal Abu-Ghazaleh University College for Innovation, headed by Prof. Dr. Michael Al-Corn, the Dean of International Relations at the university. The delegation was received by the Dean of the university college Dr. Muntaha Bani Hani, who welcomed the visiting delegation, confirming that the visit comes as an extension of previous meetings between the two universities, which contributes to the consolidation of relations and the development of existing mechanisms of cooperation.

Talal Abu-Ghazaleh University College for Innovation (TAGUCI) started the MBA program in Human Resource, Innovation Leadership and Entrepreneurship, Digital Marketing and Data Analytics for its first semester of the academic year 2018/2019.

Talal Abu-Ghazaleh University College for Innovation Establishes Branch at Palestine Technical University - Kadoorei

Amman 31-Oct-2018

Talal Abu-Ghazaleh University College for Innovation (TAGUCI) signed a Memorandum of Understanding (MoU) with Palestine Technical University - Kadoorei for the establishment of a TAGUCI branch at Kadoorei and enhancing future cooperation in fields that boost development of the higher education sector.

The MoU was signed by HE Dr. Talal Abu-Ghazaleh and Prof. Noor Abu-Rub, the President of the University, in the presence of Dr. Derar Eleyan, President Assistant and Dean of TAGUCI, Dr. Muntaha Bani Hani.

During the meeting, Dr. Abu-Ghazaleh affirmed the importance of this partnership for him personally and for TAG-Org in general, noting that the University College will open its doors to all Palestinians.

Dr. Abu-Ghazaleh stated that signing the agreement comes in conformity with TAG-Org's role and aspirations in developing accounting and consulting

services, as well as advancing technology, training, education, Intellectual Property and Information Technology to keep abreast with the global level and make such aspirations a reality in Palestinian society.

For his part, Prof. Abu-Rub expressed his pride and admiration at partnering with TAG-Org; the global knowledge organization, pointing out that selecting Kadoorei to host TAGUCI's branch will enable the Palestine Technical University to offer distinctive educational services to Palestinian students.

The agreement also stipulates the enhancement of the level of knowledge exchange, implementing joint programs, strengthening cooperation in scientific research fields, and striving to find job opportunities for holders of university certificates, in addition to holding joint workshops and training courses.

TAGUCI Participates in ArabNoor Conference 2018

Irbid 8-Oct-2018

Held under the sponsorship of the Minister of Communication and Information Technology, Eng. Mothanna Gharaibeh, in the presence of the Saudi princess Kholoud bint Nasser Al Saud, and with the strategic participation of Talal Abu-Ghazaleh Organization (TAG-Org), the “ArabNoor” conference for young entrepreneurs and initiators at the University of Science and Technology, concluded its work.

The participation of the Organization in the first of its kind Conference in the Northern region of the Kingdom, aimed at achieving target development in all sectors via supporting entrepreneurship.

The Minister, Mothanna Gharaibeh, highlighted the importance of the role of entrepreneurs in creating the future, enabling and motivating the youth to start their own projects, and pursuing innovation.

The Conference lasted for 2 days in the presence of Prof. Dr. Saeb Khresat, the President of the Jordan University of Science and Technology and Mohamed Abu Sheikha, the Executive Director of “ArabNoor” Company. The Conference was held in cooperation between Center of Excellence for Innovative Projects at the University and ArabNoor for Entrepreneurship.

The Organization presented, during the Conference, a workshop for students on intellectual property and its importance for the protection of inventions and copyrights. Some of the Organization’s available training programs were introduced including Management of small and medium enterprises, Cambridge English Courses, Talal Abu-Ghazaleh Diploma for Information Technology, and the offered MBA by Talal Abu-Ghazaleh University College for Innovation.

During the Conference, several training, professional and consultation services were introduced by the Organization, which are critical for helping students in the commencement of their enterprises, qualifying them for the labor market, providing them with the required basic skills for knowledge and helping them in entrepreneurship and innovation.

During the events of the Conference, the Executive Director Mr. Fadi Al-Dawood, participated in the Cognitive Forum of Talal Abu-Ghazaleh, in a discussion titled “Women’s Entrepreneurship”, with the participation of Her Excellency princess Kholoud bint Nasser bin AbdulAziz Al Saud.

Al-Dawood highlighted the importance of participation in Women’s Economic Empowerment indicating the big missing economic opportunity resulting from the low percentage of participation of women in the labor market, which does not exceed 14% in Jordan and is one of the world’s lowest percentages at 50% and reaching 23% in the Arab World.

During the Conference, Her Excellency Prince

Kholoud bint Khalid Al Saud visited Talal Abu-Ghazaleh Organization Corner, and asserted her high appreciation of Talal Abu-Ghazaleh’s entrepreneurship story, his arduous journey from sufferance to world fame, and the establishment of his Organization, which has expanded around the world. Her Excellency highlighted that Talal Abu-Ghazaleh is one of the most inspirational and motivational figures for today’s youth.

In the same Conference, Prof. Dr. Saeb Khresat, the President of the Jordan University of Science and Technology, illustrated the role of the University in supporting entrepreneurship and creativity through the sponsorship of creativity conferences and activities that are concerned with the provision of a proper environment for entrepreneur success and creative thoughts and projects.

Eng. Mohamed Abu Sheikha, the Executive Director of ArabNoor Group, pointed out the fact that organizing the Conference was with the aim of transferring and enabling learning, knowledge, inspiration, technology, and entrepreneurship for all targeted classes.

Talal Abu-Ghazaleh University College for Innovation participates in the Amman International Book Fair

Amman 1-Oct-2018

Talal Abu-Ghazaleh University College for Innovation participates in the Amman International Book Fair

Talal Abu-Ghazaleh Organization (TAG-Org) took part in the 18th Annual Amman International Book Fair through a number of its service and educational institutions, including Talal Abu-Ghazaleh University College for Innovation.

The university college's participation is to promote TAGUCI, which starts its Master program in Business Administration (MBA) in the first semester of the 2018-2019 academic year. Talal Abu Ghazaleh University College for Innovation is one of a kind and the first university college to teach creativity and innovation.

The Group's pavilion provided various dictionaries, books and professional publications issued by the Group, particularly the third edition of the Talal Abu-Ghazaleh Accounting and Business Dictionary, which was being presented for the first time in the group's pavilion.
