Talal Abu Ghazaleh was born in Jaffa, Palestine on April 22, 1938. Just as he turned ten he, with his family, were forced out of their homeland as a result of the Zionist invasion of Palestine, seeking refuge in neighboring Lebanon. In 1960, he earned a Bachelor of Science degree in Business Administration from the American University of Beirut. Later on he earned a number of honorary doctorates. In 1972, he founded an accounting company in Kuwait. He started work from the trunk of his car until he managed to rent office space. Presently, this small company grew into a global organization with a hit brand name called Talal Abu-Ghazaleh Global (TAG.Global), a truly global family of companies that provide world-class professional and educational services, working through more than 100 offices worldwide.

Dr. Talal Abu-Ghazaleh's stature and acumen have made him a man of vision and purpose. His varied accomplishments had granted him access to many world leaders, including kings, princes, presidents of state, ministers, ambassadors, as well as leaders of the world trading system and Internet pioneers. In Amman, he served as a member of the Jordanian Senate for two terms. Throughout the years, he chaired, and/or served as member of innumerable United Nations' governing bodies and other multilateral international organizations. He presided over global holding companies and professional service firms, information and communication technologies' initiatives and a host of socioeconomic development institutions.

Recognized as one of the most influential leaders in the world, with lifetime achievements, international leadership, books, awards and honors as part of his impressive record, Dr. Talal Abu-Ghazaleh

made, and he continues to make, distinctive and outstanding contributions to education, accountancy, Intellectual Property, business administration and management, commerce, ICT, science and technology, law and other fields of economic development. He is a builder of institutions with a sense of history and a vision for the renaissance of the Arab region within the context of an emerging knowledge-based world.

A true visionary, Dr. Talal Abu-Ghazaleh authored a series of books and articles, and through his inspired leadership as reflected in TAG.Global's varied activities, he nurtured a new paradigm of global development which he characterized as the Fourth Industrial Revolution – as an emergence of a 'Knowledge Era' based on the digital age that promises a wealth of opportunity and astounding progress for all. Dr. Talal Abu-Ghazaleh's contribution to ensuring the Arab world's full participation in this revolution.

Believing passionately that access to quality education is a human right, Dr. Talal Abu-Ghazaleh established numerous educational institutions. These range from 'Knowledge Centers', where young Arabs can get free online access to the global knowledge treasures; to the College of Innovation that nurtures young creators, to the online Digital University where accredited educational programs are available to everyone, everywhere at affordable cost. These facilities and institutions have been cultivated and innovatively created by Dr. Talal Abu-Ghazaleh and the companies he leads. At the behest of his leadership, these companies provide an active power-house enabled with the needed dynamism to change and keep up with the latest technological advancements, concepts and ideas in the world.
