Talal Abu-Ghazaleh Global University Launches its Newly-designed Website

AMMAN - Talal Abu-Ghazaleh Global University (TAGGU), a member of Talal Abu-Ghazaleh Global (TAG.Global), has launched its newly-designed website (www.tag-gu.global).

TAGGU Manager, Mr. Hussein Al Sheyab, stated that the new website was designed to enable users to easily navigate and complete the admission and registration processes, as well as to meet the needs of both students and visitors. The website also provides extensive information about the University and its various academic and professional programs.

He added that the website allows users to easily access the University's faculties, academic and training programs, students support services, international partners, news, and events.

Mr. Al Sheyab further indicated that the University's new website reflects its commitment to providing the best services and information for its students anywhere around the world.

TAGGU, in line with the vision of its Founder and Chairman, HE Dr. Talal Abu-Ghazaleh, strives to expand digital technology in distance learning to provide students and professionals with knowledge and science; especially for those who may not be able to afford travel expenses.

To spread knowledge and all related media content worldwide:
Launch of Talal Abu-Ghazaleh Media Knowledge Portal

AMMAN – Talal Abu-Ghazaleh Global (TAG.Global) has recently launched its official media portal under the name ‘Talal Abu-Ghazaleh Media Knowledge Portal’ (www.tag-news.com).

The newly-launched Media Portal has been designed to widely spread knowledge through the most recent technologies in media and communication fields. It is characterized by enabling users to easily navigate through news, events, photos and video albums, related to TAG.Global's activities and initiatives worldwide.

TAG Media Portal includes an overview of TAG.Global's history, its media and intellectual and knowledge mission and activities, in addition to a special section that highlights the latest contributions and achievements of HE Dr. Talal Abu-Ghazaleh, TAG.Global founder and chairman, and his Organization around the world.

On this occasion, Dr. Abu-Ghazaleh affirmed the importance of media and its essential impact on all social issues, its close association with the economy, and sustainable development. He further noted that the recent expansion of digital media and its multiple sources requires full awareness of the importance of selecting reliable sources that adhere to professionalism and credibility in their posting content.

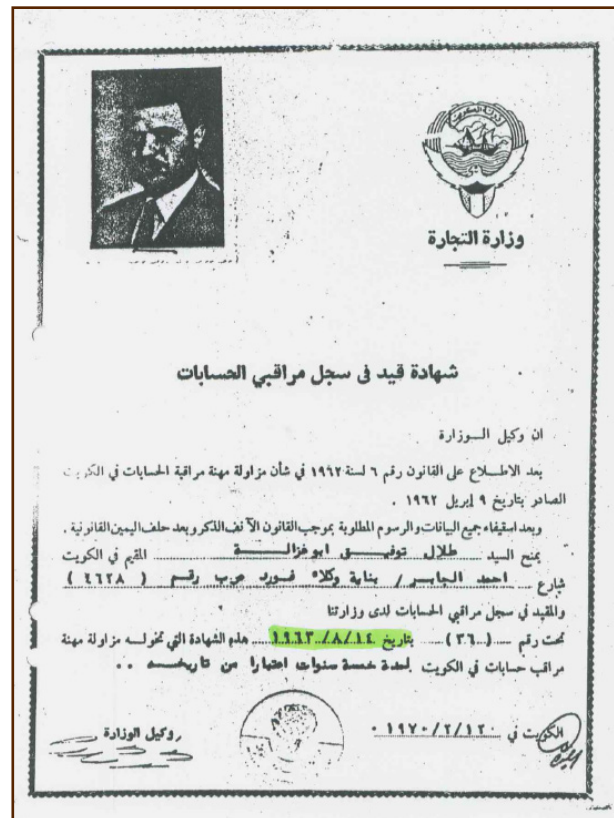

It is worth mentioning that Dr. Abu-Ghazaleh attaches special attention to media, and accordingly, the launch of Talal Abu-Ghazaleh Media Knowledge Portal is one of his multiple media initiatives. He has previously established three different news agencies specialized in intellectual property, education, and information technology.

Abu-Ghazaleh, 60 Years of Practicing the Certified Accounting Profession

AMMAN – Talal Abu-Ghazaleh Global (TAG.Global) has celebrated the 6th decade since its Chairman and Founder, HE Dr. Talal Abu-Ghazaleh, was first granted a license as a certified accountant. Dr. Abu-Ghazaleh obtained the said license in Kuwait on August 14, 1963. This license is a valid certification that signifies his dedication and commitment to excellence in this field, considering that TAG.Global serves as one of the largest accounting companies located in more than 100 offices around the world and provides its services in accordance with the highest international standards.

Previously and on the occasion of the 59th Anniversary of the State Audit Bureau in Kuwait, Dr. Abu-Ghazaleh affirmed his keenness on the continuous renewal of his license as a certified accountant in Kuwait since 1981, and the renewal of his membership No. 17 in the Kuwait Accountants and Auditors Association.

It is worth mentioning that Dr. Abu-Ghazaleh currently chairs the International Arab Society of Certified Accountants (IASCA), as he also chaired several international committees during his career journey, including the Committee of Experts mandated by the United Nations Secretary-General to draft

the International Accounting Standards for Environmental Accountability, the United Nations Conference for the Development of Accounting Education, the United Nations Intergovernmental Working Group of Experts on International Standards of Accounting and Reporting, the Committee for the Newly Industrialized and Developing Countries Affairs, and International Accounting Standards Committee (IASC)
