**‘Abu-Ghazaleh Information Technology International’ Participates in RL4Eng Meetings in Germany**

SAINT AUGUSTIN, Germany - Talal Abu-Ghazaleh Information Technology International (TAG-ITI), a member of Talal Abu-Ghazaleh Global (TAG. Global), has participated in the workshops and meetings of the RL4Eng Project which focuses on establishing remote and virtual laboratories for teaching and training engineering students in higher education institutions in South Mediterranean and Sub-Saharan regions. The event was organized by the Hochschule Bonn-Rhein-Sieg University of Applied Sciences (HBRS) in Germany.

TAG-ITI’s participation comes as part of its role in participating in the RL4Eng Project, funded by the European Union within the Erasmus+ Program.

The RL4Eng Project aims at supporting cooperation between higher education institutions in the southern Mediterranean, sub-Saharan, and Europe in the field of engineering education, implemented by the Yarmouk University in collaboration with 15 academic and industrial partners from Jordan, Lebanon, Morocco, Tanzania, Germany, and Spain.

During the four-day program, several workshops were organized including an introduction sessions on remote laboratories. Additionally, field tours in the University's campus and laboratories were conducted for the project members and students, as well as a visit to the Digital Center in Bonn to introduce startup projects. The Project's Consortium convened a meeting with all project partners, to discuss the project's achievements, as well as the steps for establishing remote laboratories in Jordan, Lebanon, Morocco, and Tanzania.

For his part, TAG-ITI representative, Mr. Rami As'ad, Innovative media and digital marketing Manager expressed the Organization's pride in being part of the RL4Eng Project's leaders and effective participants, highlighting TAG-ITI's contribution in designing and developing the Project's website and Portal as well as launching its social media accounts on Facebook and LinkedIn, to effectively contribute to promoting the Project's mission and activities. He further noted that TAG-ITI developed the Project's Visual Identity, as several promotional materials that could be used during the Project's activities by all partners.

## **Abu-Ghazaleh Mourns Palestinian Gaza Martyrs including TAG.Global's Gaza Office Members**

AMMAN - HE Dr. Talal Abu-Ghazaleh, chairman and founder of Talal Abu-Ghazaleh Global (TAG.Global), has mourned the Palestinian martyrs of the Israeli massacres in Gaza and the other martyrs of the ongoing Israeli aggression in the West Bank.

Since the beginning of the Israeli aggression on October 7, 2023, until last night, Gaza figures reveal more than 5,087 martyrs, over 40% out of them are children and 30% are women, in addition to more than 1,500 still under the rubble of their demolished homes, and 15,237 Palestinians wounded. That is in addition to the destruction of nearly 165,000 residential units; approximately 50% of the total residential units in the Gaza Strip, and more than 1.4 million people were displaced inside Gaza.

Furthermore, Dr. Abu-Ghazaleh mourned the family of Mr. Jamil Hafeth Al-Masri (Al-Masri family), the professional services manager in TAG.Global Gaza office, who was martyred, with 29 members of his family, including his wife, son, daughter, and grandchildren, in a direct bombardment of his home in Rafah on October 16, 2023.

Dr. Abu-Ghazaleh also mourned the Executive Director of TAG.Global Gaza, Mr. Munir Hasan for the martyrdom of his sister Wisam Muhammad Ali Hasan ‘Um Saadallah Skik’ (Al-Hasan and Al-Skik families), who, along with 17 family members, including her husband, their children, daughter, and grandchildren from the Skik family, lost their lives in a direct bombing of the family’s home in Gaza.

It is worth mentioning that the Israeli enemy has targeted the building where TAG. Global offices are located in Gaza city in an airstrike on October 21, 2023, noting that the offices had previously been targeted in multiple attacks and were completely destroyed in the Israeli aggression on Gaza in 2021.

“Despite the great pain and sorrow for the victims of the Zionist crimes, I believe that what is happening now is the beginning of the battle for liberation and the realization of the historic and national rights of the Palestinian people, as well as the end of the Zionist occupation,” Dr. Abu-Ghazaleh said.

## Jordan’s Ambassador to Lebanon Receives Dr. Talal Abu-Ghazaleh

BEIRUT – Jordan’s Ambassador to Lebanon HE Mr. Waleed Al Hadid has received in his office HE Dr. Talal Abu-Ghazaleh, founder and chairman of Talal Abu-Ghazaleh Global (TAG.Global) accompanied by TAG. Global Representative in Lebanon Mr. Burhan Al Ashkar to discuss various issues including the current situation in Lebanon and the region.

During the meeting, Mr. Al Hadid praised Dr. Abu-Ghazaleh’s efforts in Lebanon mainly in the fields of education and

digital transformation.

For his part, Dr. Abu-Ghazaleh expressed his appreciation for the vital role of the Jordanian Embassy in Beirut and its members in serving

the Jordanians and their businesses in the country in accordance with the directives of His Majesty King Abdullah II, and he congratulated them on moving to the new Embassy building.

## UNRWA in Jordan and Abu-Ghazaleh discuss new cooperation programs to support Palestine Refugees

### A new initiative launched by Talal Abu-Ghazaleh Global Digital Group

Amman - The Chairman and Founder of Talal Abu-Ghazaleh Global Group, His Excellency Dr. Talal Abu-Ghazaleh, during his visit to the offices of the United Nations Relief and Works Agency for Palestine Refugees (UNRWA) in Jordan, discussed ways to enhance joint cooperation in many important fields. The talks centered on several proposals and directions that reflect Abu-Ghazaleh's firm commitment in supporting Palestine refugees.

Mr. Olaf Becker, Director of UNRWA Affairs in Jordan, said during his meeting with Abu-Ghazaleh that UNRWA seeks to modernize its services to Palestine refugees, noting that this year the e-UNRWA platform was launched enabling Palestine Refugees to update their details and register online. This facilitates their access to the services available at the agency including, education, health, relief,

social services, and microfinance, in addition to ensuring that they preserve their rights and the rights of their children as refugees from Palestine and in accordance with United Nations resolutions.

Mr. Becker pointed out that the “All for Palestine Association”, which was founded by Dr. Talal Abu-Ghazaleh, constituted a wonderful initiative to showcase the positive contributions to society of Palestinians around the world.

His Excellency Dr. Abu-Ghazaleh affirmed his support for UNRWA's humanitarian efforts in serving Palestine

refugees, noting that he personally graduated from university with a scholarship from UNRWA, for which he always feels grateful.

Dr. Abu-Ghazaleh outlined the support provided by Talal Abu-Ghazaleh Global Group to Palestine refugees, including the one million master's scholarship offered by Talal Abu-Ghazaleh Global Digital University in the specialties of (artificial intelligence, information technology, digital marketing, intellectual property, and supply chain management), with the objective to be provided to more than one million Palestine refugees.

His Excellency Abu Ghazaleh, pointed out that the “All for Palestine Association” is a unique and unparalleled association, as it is neither for profit nor political, and its establishment came with the aim of documenting Palestinian creativity and achievements around the world, noting that the number of registered people on the All for

Palestine website is (10,000) around the world. While the number of registered Palestinian inventors exceeded (5000).

The attendees stressed cooperation in supporting UNRWA’s mission in documenting Palestine refugee data and UNRWA’s vital role in that. The meeting witnessed praise for the

services provided by Abu-Ghazaleh through the positions he held at the United Nations.

The meeting, hosted by UNRWA, was attended by experts and specialists from both sides in the fields of education, relief, social services, documentation, registration and media staff.

## Abu-Ghazaleh Hosts Shenyang Normal University Delegation to Strengthen Educational and Cultural Cooperation

AMMAN – HE Dr. Talal Abu-Ghazaleh, founder and chairman of TAG. Global, has welcomed at his office in Amman, a delegation from Shenyang Normal University (SYNU), led by its President, Dr. Yang Song. The delegation included Mr. John Wei, the Dean of the International Studies Faculty, Mr. LI Hang, the Dean of the Software School, and Ms. HU Bo, the Deputy Director of the International Exchange and Cooperation Department.

The purpose of the visit was to review the achievements and challenges of the past years and to discuss the

future plans for enhancing Chinese language teaching, cultural events, and key programs of the Confucius Foundation in China. The delegation also visited several prominent educational sites in Jordan.

During the meeting, Dr. Abu-Ghazaleh expressed his gratitude and pride for having a long-lasting partnership with Shenyang

Normal University since 2008, when they signed an agreement to establish the Talal Abu-Ghazaleh Confucius Institute (TAG-Confucius). He recalled that he had the honor to attend the graduation ceremony of more than 15,000 students at Shenyang Normal University in 2009 and he hoped to repeat this experience in the near future.

Dr. Abu Ghazaleh also highlighted that TAG Global is a leader in training and education in the Arab World and that TAGEPEDIA, its online education platform, is an outstanding model for delivering quality courses. He proposed to add the TAGEPEDIA platform programs and courses offered in English at SYNU for graduate and undergraduate students, such as computer science, AI, chemistry, and law. The two parties also agreed to add Chinese MOOC courses to the TAGEPEDIA platform, with Dr. Yang Song mentioning that there are many Chinese MOOC courses available that SYNU is willing to share with TAGEPEDIA.

Dr. Yang Song and her staff praised the efforts

and support of Dr. Abu-Ghazaleh for promoting educational and cultural exchange between China and Jordan. She also thanked TAG-Confucius Institute's administration for their highly professional performance during the last 15 years, confirming that the development of TAG-Confucius Institute should be aligned with "The Belt and Road Initiative" development strategy and should foster more extensive and in-depth cooperation in education and culture between the two countries.

**TAG-Confucius Institute**  
Talal Abu-Ghazaleh Confucius Institute was established in September 2008 to promote the Chinese language and culture, in order to reach a better mutual understanding between Arab and Chinese

cultures. This is one-of-a-kind initiative based on the cooperation agreement between Talal Abu-Ghazaleh Global (TAG Global) and the Confucius Institute in China.

### **Shenyang Normal University**

Shenyang Normal University was established in 1951 in Liaoning Province as a university specialized in teacher training which made it one of the first specialized universities in northern China. The university teaches many majors including science, literature, teaching, and administrative sciences. Shenyang Normal University missions Chinese teachers to the TAG-Confucius Institute according to the highest standards of competency and professionalism.
