Talal Abu-Ghazaleh Tenders (TAG-Tenders) is one of the most promising member- firms of the Talal Abu-Ghazaleh Global (TAG.Global). TAG-Tenders offers a wide variety of expert and professional services in the field of tendering consultation, procurement, procurement training and procurement implementation and execution for optimal economic opportunities.

Our mission is to offer our clients a complete range of high-quality top professional services and contribute to the economic, social and cultural development of our economy in Jordan, the Arab region and worldwide.

We are managing to achieve this mission through interactive and interconnected levels. On the most basic, we seek to provide practical and effective solutions to the problems faced by our valued clients.

We do this through a more holistic basis, conducting internal brainstorming and strategy sessions with our best consultants, first addressing and identifying the issues at hand and then coming up with the solutions that need to be presented to the Arab business community and international clientele.

'Abu-Ghazaleh Global' and Al-Ahram Newspaper Enhance Cooperation

CAIRO - Mr. Ala'a Thabet, journalist and editor-in-chief of the Egyptian Al-Ahram Newspaper, has received in his office Ms. Samar Al-Labbad, vice-chair of Talal Abu-Ghazaleh Global (TAG.Global), Mr. Ahmad Fathy, TAG.Global executive director and development manager, and Mr. Tarek Al-Khatib, executive director in-charge of TAG. Global Cairo Office. The meeting was held to discuss, and enhance, cooperation between Al-Ahram Newspaper and TAG.Global. Within the framework of this ongoing cooperation, TAG.Global has granted 20 new TAG-Tech laptops to the newspaper; of those manufactured by Talal Abu-Ghazaleh for Technology (TAGTech), in its factory in Egypt in cooperation with the Arab Organization for Industrialization (AOI).

Previously, TAG.Global had offered the newspaper a package of training programs meant to effectively contribute to achieving the goals of digital transformation and to keep pace with the technological revolution in the field of journalism, as part of the existing cooperation between the two sides. During the meeting, Ms. Al-Labbad affirmed the importance of the mutual cooperation, referring to the deep professional ties between

HE Dr. Talal Abu-Ghazaleh, TAG.Global founder and chairman, and the four-decade old Al-Ahram Newspaper, expressing her pride in TAG.Global's constant support of national issues and digital transformation in the region.

For his part, Mr. Thabet welcomed Ms. Al-Labbad, noting the big leap in the field of digital transformation the world is undergoing and stressing the importance of utilizing technology in the field of journalism. He went on to emphasize that such transformation significantly improves the quality of news and expands access to information, where journalists can easily cover events as they happen, and share their news and reports on the spot.

In the same context, Al-Ahram Board of Directors applauded the existing cooperation with TAG.Global, which comes as an integral part of the Organization's strategy that aims at supporting promising projects and development programs to promote sustainable development. Board Members also stressed that the contribution offered by TAG. Global is an important addition to Al-Ahram's professional journalistic mission to keep pace with the requirements of the technological development and Information Age.

Dr. Abu-Ghazaleh Patronizes the 'IFRS Expert' Awarding Ceremony for Libya's National Oil Corporation

3

AMMAN - The International Arab Society of Certified Accountants (IASCA) has organized a graduation ceremony for the participants of the "IFRS Expert" program, organized for the cadres of Libya's National Oil Corporation branches under the patronage of HE Dr. Talal Abu-Ghazaleh, IASCA chairman.

The ceremony was held at Talal Abu-Ghazaleh Knowledge Forum Hall, in the presence of Mr. Abdulkarim Alsayed Shawya, the general manager of the HR and the Resources Development Departments at the National Oil Corporation.

During the program, 56 trainees from nine Libyan oil companies participated in the digital training course that was held for one year.

Addressing the attendees, Dr. Abu-Ghazaleh affirmed his pride in cooperating with the Corporation, pointing to the urgent necessity to enrich individual knowledge skills and to keep pace with the most recent advances in education. He further highlighted the importance of obtaining professional certificates through digital learning which proved its effectiveness and efficiency over the past few years.

For his part, Mr. Shawya stated that Libya is committed to implementing digital transformation strategy, saying that the IFRS Expert is the first digital certificate of its kind issued in Libya. He also expressed his gratitude to IASCA for its contribution in serving the country's public interest.

'Abu-Ghazaleh Global' and At-Tanal Al-Arabi Academy Sign Cooperation Agreement

To spread Arabic language globally

AMMAN – Talal Abu-Ghazaleh Global (TAG.Global), represented by the first of its kind project the Arabic Fluency Program (AFP), has signed a Memorandum of Understanding (MoU) with the At-Tanal Al-Arabi Academy to cooperate in enhancing and promoting the Arabic language to become the first language globally.

The MoU was signed by HE Dr. Talal Abu-Ghazaleh, founder and chairman of TAG.Global, and Prof. Dr. Abdul Raouf Zuhdi, At-Tanal Al-Arabi Secretary General. During the meeting, Dr. Abu-Ghazaleh affirmed the readiness of TAG.Global to cooperate, through its various activities, in promoting the Arabic language to serve the local and Arab communities as well as to foster the Arabic language on the widest scale.

For his part, Dr. Zuhdi expressed his pride in collaborating with TAG.Global, pointing out that such cooperation would effectively contribute to enhancing students' skills in learning the Arabic language and spreading Arabic culture, especially since the two parties share one goal of disseminating the Arabic

language globally. During the meeting, the two sides also agreed to cooperate on the provision of many professional services, including introducing the AFP's courses, curricula, and tests, through various social media networks associated with the two parties. This is in addition to strengthening other cooperation frameworks.

It is worth mentioning that the Arabic Fluency Program is one of the educational initiatives launched by TAG.Global with the aim of spreading the Arabic language and culture globally, teaching non-native speakers and conducting placement tests that have been prepared according to specific standard.

At-Tanal Al-Arabi Academy is a specialized academy located in more than 43 countries around the world. It offers International Certificate of Proficiency in the Arabic Language for native and non-native speakers. It is recognized by the League of Arab States and many ministries of education and higher education around the world, as well as Arabic language international academies.

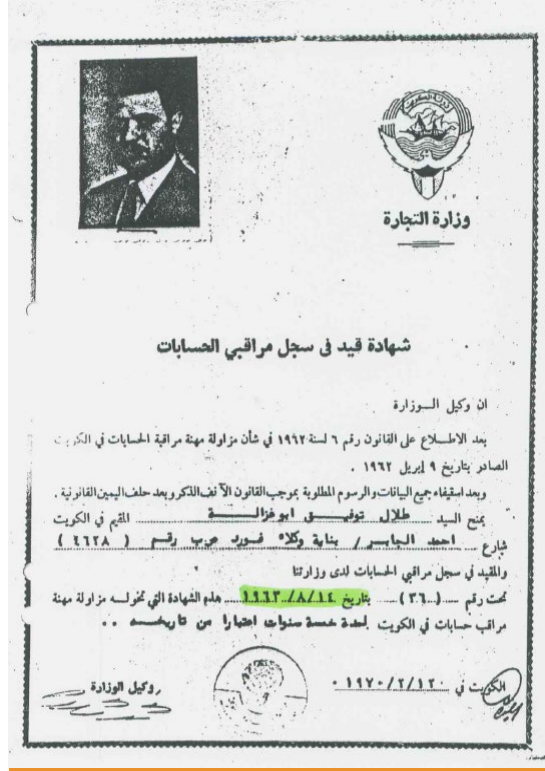

Abu-Ghazaleh, 60 Years of Practicing the Certified Accounting Profession

AMMAN – Talal Abu-Ghazaleh Global (TAG.Global) has celebrated the 6th decade since its Chairman and Founder, HE Dr. Talal Abu-Ghazaleh, was first granted a license as a certified accountant.

Dr. Abu-Ghazaleh obtained the said license in Kuwait on August 14, 1963. This license is a valid certification that signifies his dedication and commitment to excellence in this field, considering that TAG.Global serves as one of the largest accounting companies located in more than 100 offices around the world and provides its services in accordance with the highest international standards.

Previously and on the occasion of the 59th Anniversary of the State Audit Bureau in Kuwait, Dr. Abu-Ghazaleh affirmed his keenness on the continuous renewal of his license as a certified accountant in Kuwait since 1981, and the renewal of his membership No. 17 in the Kuwait Accountants and Auditors Association.

It is worth mentioning that Dr. Abu-Ghazaleh currently chairs the International Arab Society of Certified Accountants (IASCA), as he also chaired several international committees during his career journey, including the Committee of Experts mandated by

the United Nations Secretary-General to draft the International Accounting Standards for Environmental Accountability, the United Nations Conference for the Development of Accounting Education, the United Nations Intergovernmental Working Group of Experts on International Standards of Accounting and Reporting, the Committee for the Newly Industrialized and Developing Countries Affairs, and International Accounting Standards Committee (IASC).
