About TAG-Value

As a member of TAG-Org, AbuGhazaleh Valuation (TAG-Value) is an international valuation and consulting firm with offices and associates spanning worldwide. TAG-Value's expertise covers a complete range of services that include Valuation, Due Diligence and Financial Modeling.

TAG-Value was established at a time when the valuation profession was still in its early stages of development in the Arab region. Since the early beginnings, TAG-Value has consistently been spearheading the efforts to develop the framework of valuation services worldwide.

TAG-Value has an impeccable record of assisting and supporting governments, public institutions and non-governmental organizations in raising the levels of awareness of the importance of business valuation and the valuation of intellectual property worldwide. We offer the business community an array of services aimed at delivering credible and tangible solutions, based on experience combined with sound judgment. Our team of professionals has extensive experience in providing efficient solutions to any situation that practically covers all business sectors.

Our Valuation Services

Abu-Ghazaleh and Kazakhstan Ambassador to Jordan Discuss Economic Cooperation

'Abu-Ghazaleh Knowledge Forum' and Eastern Amman Industrial Investors Association Discuss Cooperation

Abu-Ghazaleh Mourns Palestinian Gaza Martyrs including TAG.Global's Gaza Office Members

Our Valuation Services

As the business environment is constantly changing, becoming more complex and sophisticated, businesses must be flexible and ready to adapt and respond promptly. Valuation is a crucial component of the management process that leads to understanding the underlying dynamics of your enterprise. Valuation is therefore essential for estimating the fair value of your business, financial assets or even liabilities.

TAG-Value offers the following Business Valuation services:

Securities Valuation Securities are negotiable and exchangeable instruments that represent a financial value, and they are categorized as either debt securities, such as bonds and debentures issued by governments and corporations, or equity securities, such as common and preferred stocks, which reflect a proof of partial ownership or right in a corporation.

TAG-Value provides the valuation of a broad range of securities, which include equity, equity and interest rate options, swaps, treasuries, corporate and government bonds, mortgage-backed securities, collateralized mortgage obligations, credit derivative swaps, and many more.

TAG-Value uses diagnostic tools for valuing securities, applying a series of mathematical relationships and financial models to determine the price at which a security should be exchanged.

Stock Valuation We apply sophisticated valuation techniques that can be used to find the fair value of stock options. These valuation techniques include:

- Monte Carlo simulations
- The Black-Scholes Models
- Lattice models, including the Binomial Options Pricing model.
- Synthetic option modeling

Tangible Asset Valuation Our team of experts works in conjunction with university professors and experts in various fields, along with licensed appraisers in order to value a wide range of tangible assets.

Our areas of expertise of valuing tangible assets include:

- Real Estate such as;
 - Residential sector: apartments, housing buildings, villas, condominiums.

Abu-Ghazaleh and Kazakhstan Ambassador to Jordan Discuss Economic Cooperation

AMMAN – HE Dr. Talal Abu-Ghazaleh, founder and chairman of Talal Abu-Ghazaleh Global (TAG. Global), has received in his office HE Aidarbek Toumatov the Kazakhstan’s Ambassador to Jordan and his economic Counsellor Olzhas Rayev to discuss cooperation between Kazakhstan and the Arab region, as well as the various services offered by TAG.Global’s office in Kazakhstan especially in the field of digital transformation and E-government.

During the meeting, Dr. Abu-Ghazaleh praised the Ambassador’s efforts in strengthening the relations between the two countries, highlighting the existing strong business and friendship ties with the Kazakhstan leadership, government and people. He further pointed out that TAG.Global has a business presence in Kazakhstan and it provides its services to various central Asia clientele.

Dr. Abu-Ghazaleh drew

attention to the latest achievements of TAG. Global, particularly the launch of Talal Abu-Ghazaleh for Technology (TAGTech) which designs, produces, and manufactures high-quality technological devices including tablets, laptops and smartphones at competitive and affordable prices. He also mentioned that TAG Global will explore the possibility of establishing laptop factory in Kazakhstan to be as distribution center for neighboring countries.

For his part, Ambassador Toumatov expressed his appreciation for Dr. Abu-Ghazaleh’s constant efforts, saying, “I would like to seize this opportunity to express our deep gratitude for the honor and support Dr. Abu-Ghazaleh has always

extended to us,” particularly “Dr. Abu-Ghazaleh’s contributions that cover various fields, especially in the business and education areas”. The Ambassador also expressed his eagerness to cooperate in developing further opportunities to serve both the Jordanian and the Kazakhstan communities.

Talal Abu-Ghazaleh Global (TAG.Global) is a global organization for professional services, education and tech products, operating in more than 100 offices worldwide. It provides its services in Kazakhstan through its office in Almaty, which was launched in 2017, to reinforce TAG.Global’s global expansion strategy and keep pace with the rapid growth of the business community.

'Abu-Ghazaleh Knowledge Forum' and Eastern Amman Industrial Investors Association Discuss Cooperation

AMMAN - HE Dr. Talal Abu-Ghazaleh, founder and chairman of Talal Abu-Ghazaleh Global (TAG.Global), has received in his office the Eastern Amman Industrial Investors Association Vice Chairman of the Board of Directors, Mr. Mohammed Al-Saudi,

to discuss means of cooperation between Talal Abu-Ghazaleh Knowledge Forum (TAG-KF) and the Association in building youth capacities.

During the meeting, the two parties focused on the importance of organizing and holding training and awareness-raising programs that effectively serve youth and enrich the necessary skills to meet labor market requirements and needs.

Dr. Abu-Ghazaleh pointed to the Association's efforts in supporting and developing the activities of the investors and industrialists in East Amman, not to mention its integrative role with the various institutions involved with investors and industrialists' affairs. He also stressed the importance of such entities in serving the future of industry in Jordan.

Dr. Abu-Ghazaleh continued by calling for exerting more efforts that would serve the industrial sector which the youth try to enter, especially in light of the knowledge transformation in the world, that requires industries and innovations to keep pace with the requirements of the new knowledge world.

For his part, Mr. Al-Saudi expressed his pride and appreciation for Abu-Ghazaleh's efforts and the accomplishments globally, especially in serving the local community and youth. He further highlighted Dr. Abu-Ghazaleh's tireless work in the corporate social responsibility provided through TAG-KF.

At the end of the meeting, the two parties agreed on organizing a panel session that discusses the reality of the industrial sector in Jordan, and mechanisms to overcome the challenges that hinder its progress.

The meeting was attended by the Association's Business Development Consultant, Mr. Ala'a Nasser Al-Din Al-Mughrabi, a member of the TAG-KF's Board of Trustees.

Abu-Ghazaleh Mourns Palestinian Gaza Martyrs including TAG. Global's Gaza Office Members

AMMAN - HE Dr. Talal Abu-Ghazaleh, chairman and founder of Talal Abu-Ghazaleh Global (TAG. Global), has mourned the Palestinian martyrs of the Israeli massacres in Gaza and the other martyrs of the ongoing Israeli aggression in the West Bank.

Since the beginning of the Israeli aggression on October 7, 2023, until last night, Gaza figures reveal more than 4741 martyrs, over 40% out of them are children and 30% are women, in addition to more than 1450 still under the rubble of their demolished homes, and 14,500 Palestinians wounded. That is in addition to the destruction of nearly 165,000 residential units; approximately 50% of the total residential units in tagvaluation.com

the Gaza Strip, and more than 1.4 million people were displaced inside Gaza. Furthermore, Dr. Abu-Ghazaleh mourned the family of Mr. Jamil Hafeth Al-Masri (Al-Masri family), the professional services manager in TAG. Global Gaza office, who was martyred, with 29 members of his family, including his wife, son, daughter, and grandchildren, in a direct bombardment of his home in Rafah on October 16, 2023.

Dr. Abu-Ghazaleh also mourned the Executive Director of TAG. Global Gaza, Mr. Munir Hasan for the martyrdom of his sister Wisam Muhammad Ali Hasan 'Um Saadallah Skik' (Al-Hasan and Al-Skik families), who, along with 17 family members, including her husband,

their children, daughter, and grandchildren from the Skik family, lost their lives in a direct bombing of the family's home in Gaza.

It is worth mentioning that the Israeli enemy has targeted the building where TAG. Global offices are located in Gaza city in an airstrike on October 21, 2023, noting that the offices had previously been targeted in multiple attacks and were completely destroyed in the Israeli aggression on Gaza in 2021.

“Despite the great pain and sorrow for the victims of the Zionist crimes, I believe that what is happening now is the beginning of the battle for liberation and the realization of the historic and national rights of the Palestinian people, as well as the end of the Zionist occupation,” Dr. Abu-Ghazaleh said.
