About TAG-Value

As a member of TAG-Org, AbuGhazaleh Valuation (TAG-Value) is an international valuation and consulting firm with offices and associates spanning worldwide. TAG-Value's expertise covers a complete range of services that include Valuation, Due Diligence and Financial Modeling.

TAG-Value was established at a time when the valuation profession was still in its early stages of development in the Arab region. Since the early beginnings, TAG-Value has consistently been spearheading the efforts to develop the framework of valuation services worldwide.

TAG-Value has an impeccable record of assisting and supporting governments, public institutions and non-governmental organizations in raising the levels of awareness of the importance of business valuation and the valuation of intellectual property worldwide. We offer the business community an array of services aimed at delivering credible and tangible solutions, based on experience combined with sound judgment. Our team of professionals has extensive experience in providing efficient solutions to any situation that practically covers all business sectors.

Our Valuation Services

Abu-Ghazaleh Receives TAGUCI Dean Prof. Al-Nsor

'Abu-Ghazaleh Global' and At-Tanal Al-Arabi Academy Sign Cooperation Agreement

Dr. Abu-Ghazaleh Patronizes the 'IFRS Expert' Awarding Ceremony for Libya's National Oil Corporation

Our Valuation Services

As the business environment is constantly changing, becoming more complex and sophisticated, businesses must be flexible and ready to adapt and respond promptly. Valuation is a crucial component of the management process that leads to understanding the underlying dynamics of your enterprise. Valuation is therefore essential for estimating the fair value of your business, financial assets or even liabilities.

TAG-Value offers the following Business Valuation services:

Securities Valuation Securities are negotiable and exchangeable instruments that represent a financial value, and they are categorized as either debt securities, such as bonds and debentures issued by governments and corporations, or equity securities, such as common and preferred stocks, which reflect a proof of partial ownership or right in a corporation.

TAG-Value provides the valuation of a broad range of securities, which include equity, equity and interest rate options, swaps, treasuries, corporate and government bonds, mortgage-backed securities, collateralized mortgage obligations, credit derivative swaps, and many more.

TAG-Value uses diagnostic tools for valuing securities, applying a series of mathematical relationships and financial models to determine the price at which a security should be exchanged.

Stock Valuation We apply sophisticated valuation techniques that can be used to find the fair value of stock options. These valuation techniques include:

- Monte Carlo simulations
- The Black-Scholes Models
- Lattice models, including the Binomial Options Pricing model.
- Synthetic option modeling

Tangible Asset Valuation Our team of experts works in conjunction with university professors and experts in various fields, along with licensed appraisers in order to value a wide range of tangible assets.

Our areas of expertise of valuing tangible assets include:

- Real Estate such as;
 - Residential sector: apartments, housing buildings, villas, condominiums.

Abu-Ghazaleh Receives TAGUCI Dean Prof. Al-Nsor

AMMAN – HE Dr. Talal Abu-Ghazaleh, founder and chairman of Talal Abu-Ghazaleh Global (TAG. Global), has received in his office Professor Naser Al-Nsor, dean of Talal Abu-Ghazaleh University College for Innovation (TAGUCI), on the occasion of ending his mandate after serving as the College dean for several years.

During his tenure, Dr. Al-Nsor contributed to the development and advancement of the University College, in line with Dr. Abu-Ghazaleh's vision, TAGUCI's Board of Directors chairman, and the support he provided to make it a leading national educational institution that aims at developing and promoting innovation, enabling and developing creativity in entrepreneurship and Information Technology domains. Dr. Abu-Ghazaleh is known for his deep belief in youth energies and their capacity in making changes in the digital transformation era; especially after a decision was taken to become a fully digital University College.

Dr. Abu-Ghazaleh praised Dr. Al-Nsor's role in publicising the University

College globally, as well as his outstanding successes in fostering TAGUCI academic path, such as obtaining membership of the Foundation for International Business Administration Accreditation (FIBAA), the Association to Advance Collegiate Schools of Business (AACSB), accreditation by the Jordanian Ministry of Higher Education and the Accreditation and Quality Assurance Commission for Higher Education Institutions.

Dr Abu Ghazaleh further added that TAGUCI made great advances in a record period to hold a prominent place on the map of international universities and colleges thanks to its qualitative and innovative postgraduate programs, in addition to its support for scientific research and publication in internationally classified scientific journals that have led to pioneering

scientific promotions.

At the end, Dr. Abu-Ghazaleh wished Dr. Al-Nsor more success in his upcoming academic leaderships, as well as his scientific, research, and professional career journey.

During Dr. Al-Nsor's mandate, the University College signed many important partnerships with public and private sector institutions, including cooperation agreements with local and international prestigious organizations. It also participated in local and international conferences, in addition to its contribution to training, development, consultancy, and capacity building. Moreover, the University College served as an active player in serving the local community, as part of its corporate social responsibility as one of Talal Abu-Ghazaleh Global (TAG. Global) firms.

'Abu-Ghazaleh Global' and At-Tanal Al-Arabi Academy Sign Cooperation Agreement

AMMAN – Talal Abu-Ghazaleh Global (TAG. Global), represented by the first of its kind project the Arabic Fluency Program (AFP), has signed a Memorandum of Understanding (MoU) with the At-Tanal Al-Arabi Academy to cooperate in enhancing and promoting the Arabic language to become the first language globally.

The MoU was signed by HE Dr. Talal Abu-Ghazaleh, founder and chairman of TAG. Global, and Prof. Dr. Abdul Raouf Zuhrdi, At-Tanal Al-Arabi Secretary General.

During the meeting, Dr. Abu-Ghazaleh affirmed the readiness of TAG.Global to cooperate, through its various activities, in promoting the Arabic language to serve the local and Arab communities as well as to foster the Arabic language on the widest scale.

For his part, Dr. Zuhrdi expressed his pride in collaborating with TAG.Global, pointing out that such cooperation would effectively contribute to enhancing students' skills in learning the Arabic language and spreading Arabic culture, especially since the two parties share one goal of disseminating the Arabic language globally.

During the meeting, the two sides also agreed to cooperate on the provision of many professional services, including introducing the AFP's courses, curricula, and tests, through various social media networks associated with the two parties. This is in addition to strengthening other cooperation frameworks.

It is worth mentioning that the Arabic Fluency Program is one of the educational initiatives launched by TAG.Global with the aim of spreading the Arabic language and culture globally, teaching non-native speakers and conducting placement tests that have been prepared according to specific standard.

At-Tanal Al-Arabi Academy is a specialized academy located in more than 43 countries around the world. It offers International Certificate of Proficiency in the Arabic Language for native and non-native speakers. It is recognized by the League of Arab States and many ministries of education and higher education around the world, as well as Arabic language international academies.

Dr. Abu-Ghazaleh Patronizes the ‘IFRS Expert’ Awarding Ceremony for Libya’s National Oil Corporation

AMMAN - The International Arab Society of Certified Accountants (IASCA) has organized a graduation ceremony for the participants of the “IFRS Expert” program, organized for the cadres of Libya’s National Oil Corporation branches under the patronage of HE Dr. Talal Abu-Ghazaleh, IASCA chairman.

The ceremony was held at Talal Abu-Ghazaleh Knowledge Forum Hall, in the presence of Mr. Abdulkarim Alsayed Shawya, the general manager of the HR and the

Resources Development Departments at the National Oil Corporation.

During the program, 56 trainees from nine Libyan oil companies participated in the digital training course that was held for one year.

Addressing the attendees, Dr. Abu-Ghazaleh affirmed his pride in cooperating with the Corporation, pointing to the urgent necessity to enrich individual knowledge skills and to keep pace with the most recent advances in education. He further

highlighted the importance of obtaining professional certificates through digital learning which proved its effectiveness and efficiency over the past few years.

For his part, Mr. Shawya stated that Libya is committed to implementing digital transformation strategy, saying that the IFRS Expert is the first digital certificate of its kind issued in Libya. He also expressed his gratitude to IASCA for its contribution in serving the country’s public interest.
