# Talal Abu-Ghazaleh Knowledge Forum (TAGKF)

In the fast-emerging Knowledge Age, it is unwise to separate any business or economic activity from any other intellectual engagement, especially education or cultural.

Together with the Talal Abu-Ghazaleh Global, TAGKF functions as part of a comprehensive structure serving not only business, but every other interest of the human mind towards a prominent and secure place for us in the future.

The Forum was created to provide the business community with a platform for debate, as well as for research, study and continuous assessment of all aspects of business and economy at local, regional and international levels.

TAGKF hosts business individuals, academics, experts, scientists, educators, industrialists, writers, artists, government officials, community leaders and many others and provide them with the ways and means for promoting activity and standards; for analyzing and eventually resolving problems; for conducting research; for overcoming obsolete methods in favor of innovation and progress, and for networking with the wider world around us.

Our state-of-the-art venue, the Talal Abu-Ghazaleh Knowledge Forum, can seat up to 250 people in theater-style rows, and is particularly suitable for large meetings, lectures, exhibitions and concerts.

Professional audio services are available in the Forum, whether for speeches or music, with computer projector amenities. Our team is ready to provide any additional equipment to fit your occasion. There is a comprehensive tie-line system for audio and video, facilitating the connections of more sophisticated AV systems as well as live viewing throughout the Forum. Additionally, the room is outfitted with a special area for catering and planning, which includes high speed Internet connectivity. For your convenience, the Forum also has access to multiple toilets.

In addition to the Forum itself, Talal Abu-Ghazaleh University can provide video recording of events as well as standard camera photography and corporate design services, which include designing and printing banners, rollups, brochures and live interpretation for events.

The Forum has been used to stage many prestigious events for international organizations and is the ideal location to host your event when a strong media impact is required.

TAGI-UNI is the people's gateway to the world's best education, promoting global citizenship and individual responsibility.

## UNIVERSITY (TAGIUNI)

Under its mission “to make accredited educational programs accessible to everyone, everywhere”, TAGI-UNI uses partnerships - comprising of a network of universities, non-governmental organizations, training institutions, and language schools - as its modus operandi to deliver comprehensive education to a global student body. Thus, digital education provided by international institutions compels individuals to understand their interdependence and their interconnected roles in the modern world.

With its vision of “world-class education as a human right”, Talal Abu-Ghazaleh University seeks to democratize education through a system of channels to open students dialogue with one another, therefore putting the quality of interaction in their hands. TAGI-UNI makes it possible for the transforming societies to embrace new concepts emerging from the ground up, given that accessibility to education is paramount for maximizing these societies’ potential.

Talal Abu-Ghazaleh University provides boundless world-class higher education across the globe to learners who may be unable to afford the costs of travel and allows them to engage in critical analysis of their experience and offer recommendations to improve the system of education. All programs offered are of the highest caliber and relevant to global job market needs.

The professional conference and training facilities of Talal Abu-Ghazaleh University (TAGI-UNI) are multi-purpose venues established to realize the vision of HE Dr. Talal Abu-Ghazaleh by providing a platform for debate as well as teaching, research, and continuous assessment of all aspects of business at local, regional and international levels.

We have a wide variety of rooms for lease to suit almost any occasion: from meetings, conferences and exhibitions, to rehearsals, auditions, recitals and concerts.

Located in the heart of Amman, Jordan, TAGI-UNI boasts ample facilities with easy access in an attractive part of town. We are in a prime location for your event, with a range of professional services and resources available to ensure a smooth and professional experience. We can also assist you with detailed event planning as well as training needs analysis of staff before you organize any events, saving you both time and money.

Our friendly staff will be happy to discuss your requirements and arrange to show you around our facilities anytime you wish.

TAGI-UNI has a total of nine training halls with capacities ranging from 18-30 persons. All halls are equipped with the latest technology and communications, including high-speed Internet connectivity.
