Dear Sir,

I hereby would like to inform you that Tokyo Head Office had decided my next assignment and I have to leave from here nearly soon.

Since beginning of the project I have to face many difficulties but it is my great pleasure that I had been able to meet with great CPA as you.

I certainly won't forget the personal contacts I had during my over 2 years 8month stay, and the kindness shown by yourself and the member of your staff.

I would very much appreciate being granted the chance to reciprocate the courtesy shown by you and your staff at some appropriate time.

Please continue to help VAT refund matter, Ms.Safa will correspond on behalf of me as usual about this matter.

Finally please accept our warmest thanks and I look forward to see you again.

Respectfully yours,

Mr. Tokunaga Yoshihiko
