

Attention to International cooperation

Abdul Hamid Mamdouh

Director of Trade in Services and Investment (WTO)

Talal Abu-Ghazaleh is very interested in international cooperation because the areas in which he works in are related to the implementation of international agreements in the field of Intellectual Property protection and international standards and norms in accounting.

Talal Abu-Ghazaleh, who represents a public figure, has a direct impact on the direction of Talal Abu-Ghazaleh Organization (TAG-Org). Talal has established a number of important non- governmental organizations that have

played a role in raising awareness of the employment services and important departments in the Arab countries with different rights, raising the awareness of information technology and in many areas of interest and attention to the institution in general. It established the first Arabic-language website of the World Trade Organization (WTO), one of the most important international organizations with a direct policy impact.
