Jordan: Monday, August 27 - 2012 at 15:35  
PRESS RELEASE

*HE Dr. Talal Abu-Ghazaleh, chairman of Talal Abu-Ghazaleh Organization (TAG-Org).*

HE Dr. Talal Abu-Ghazaleh, chairman of Talal Abu-Ghazaleh Organization (TAG-Org), has recently met in Berlin with Ms. Rebecca Stromeyer, the Managing Director and founder of ICWE GmbH, an international events and media company with more than 200000 data base of individuals and organizations specialized in organizing large-scale events and communication campaigns throughout Europe and Africa, as well as in many other international locations.

During the meeting, the two parties discussed potentials of cooperation and the tendency to promote the educational institutes affiliate to the

Organization including Talal Abu-Ghazaleh Graduate School of Business - Jordan, The Talal Abu-Ghazaleh University, Talal Abu-Ghazaleh University College of Business - Bahrain. They also tackled the need to invite all partners in education and potential stakeholders and students to benefit from the services provided by these academic institutions.

It was decided to organize an annual international conference for creativity management in education starting 2013 similar to the European conference that is held on an annual basis in Berlin and discusses education related issues. The participants to include education and higher education ministries, universities, training institutions, academies, education centers along with education related international organizations.

A task force was formed to prepare a cooperation agreement between TAG-Org and ICWE GmbH and to prepare for organizing the annual conference.

It's worth mentioning that Talal Abu-Ghazaleh University (TAGIUNI) - WWW.TAGIUNI.com - a digital university which offers academic degrees, language and professional certificates, continuous and innovative education, and vocational programs worldwide, will offer its academic programs in January 2013 in cooperation with international universities to generate qualified leading businessmen who possess the required skills to compete on a global level. The University mission is "A world in which world class education is a human right" while its vision centers on "making accredited education accessible to everyone anywhere in the world".

The University has signed cooperation agreements with international academic and professional organizations and universities and continues to ink similar agreements with other educational institutions.
