# TALAL ABU-GHAZALEH KNOWLEDGE FORUM (TAGKF)

In the fast-emerging Knowledge Age, it is unwise to separate any business or economic activity from any other intellectual engagement, especially education or cultural.

Together with the Talal Abu-Ghazaleh Organization, TAGKF functions as part of a comprehensive structure serving not only business, but every other interest of the human mind towards a prominent and secure place for us in the future.

The Forum was created to provide the business community with a platform for debate, as well as for research, study and continuous assessment of all aspects of business and economy at local, regional and international levels.

TAGKF hosts business individuals, academics, experts, scientists, educators, industrialists, writers, artists, government officials, community leaders and many others and provide them with the ways and means for promoting activity and standards; for analyzing and eventually resolving problems; for conducting research; for overcoming obsolete methods in favor of innovation and progress, and for networking with the wider world around us.

Our state-of-the-art venue, the Talal Abu-Ghazaleh Knowledge Forum, can seat up to 250 people in theater-style rows, and is particularly suitable for large meetings, lectures, exhibitions and concerts.

Professional audio services are available in the Forum, whether for speeches or music, with computer projector amenities. Our team is ready to provide any additional equipment to fit your occasion. There is a comprehensive tie-line system for audio and video, facilitating the connections of more sophisticated AV systems as well as live viewing throughout the Forum. Additionally, the room is outfitted with a special area for catering and planning, which includes high speed Internet connectivity. For your convenience, the Forum also has access to multiple toilets.

In addition to the Forum itself, Talal Abu-Ghazaleh University can provide video recording of events as well as standard camera photography and corporate design services, which include designing and printing banners, rollups, brochures and live interpretation for events.

The Forum has been used to stage many prestigious events for international organizations and is the ideal location to host your event when a strong media impact is required.

# TALAL ABU-GHAZALEH UNIVERSITY (TAGI-UNI)

TAGI-UNI is the people's gateway to the world's best education, promoting global citizenship and individual responsibility.

Under its mission "to make accredited educational programs accessible to everyone, everywhere", TAGI-UNI uses partnerships - comprising of a network of universities, non-governmental organizations, training institutions, and language schools - as its modus operandi to deliver comprehensive education to a global student body. Thus, digital education provided by international institutions compels individuals to understand their interdependence and their interconnected roles in the modern world.

With its vision of "world-class education as a human right", Talal Abu-Ghazaleh University seeks to democratize education through a system of channels to open students dialogue with one another, therefore putting the quality of interaction in their hands. TAGI-UNI makes it possible for the transforming societies to embrace new concepts emerging from the ground up, given that accessibility to education is paramount for maximizing these societies' potential.

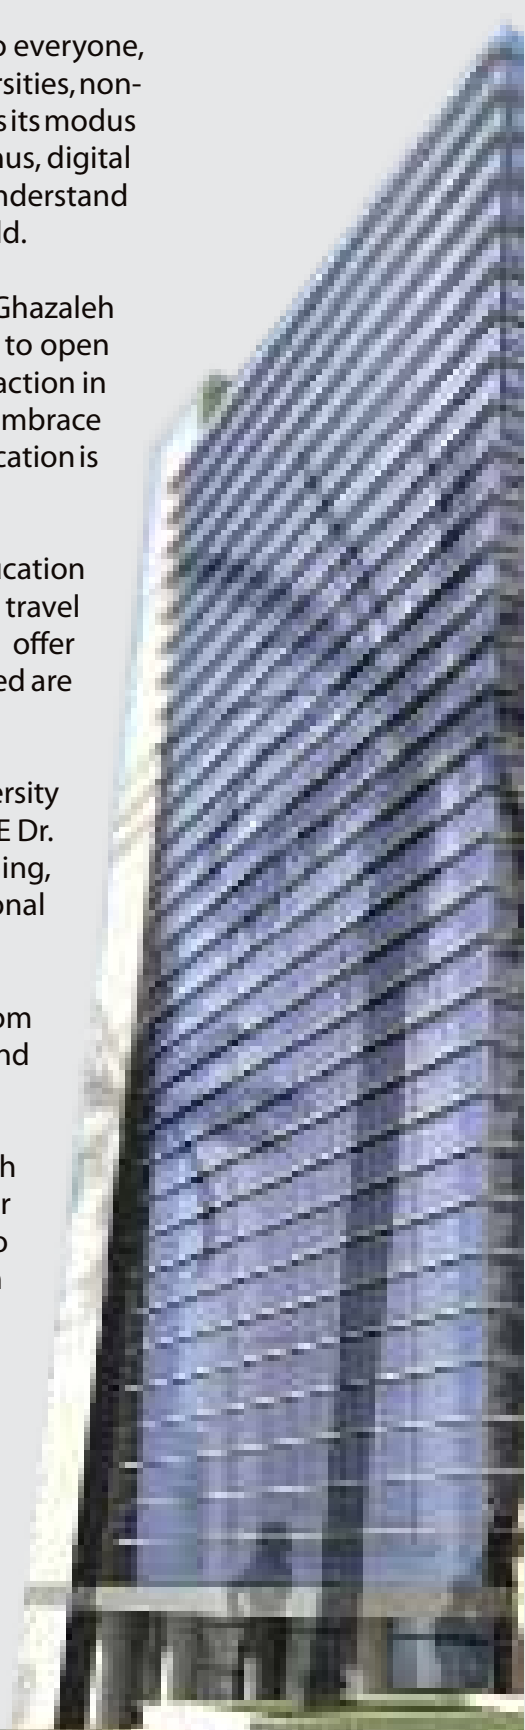

Talal Abu-Ghazaleh University provides boundless world-class higher education across the globe to learners who may be unable to afford the costs of travel and allows them to engage in critical analysis of their experience and offer recommendations to improve the system of education. All programs offered are of the highest caliber and relevant to global job market needs.

The professional conference and training facilities of Talal Abu-Ghazaleh University (TAGI-UNI) are multi-purpose venues established to realize the vision of HE Dr. Talal Abu-Ghazaleh by providing a platform for debate as well as teaching, research, and continuous assessment of all aspects of business at local, regional and international levels.

We have a wide variety of rooms for lease to suit almost any occasion: from meetings, conferences and exhibitions, to rehearsals, auditions, recitals and concerts.

Located in the heart of Amman, Jordan, TAGI-UNI boasts ample facilities with easy access in an attractive part of town. We are in a prime location for your event, with a range of professional services and resources available to ensure a smooth and professional experience. We can also assist you with detailed event planning as well as training needs analysis of staff before you organize any events, saving you both time and money.

Our friendly staff will be happy to discuss your requirements and arrange to show you around our facilities anytime you wish.

# TAGI-UNI LECTURE AND TRAINING HALLS

TAGI-UNI has a total of nine training halls with capacities ranging from 18-30 persons. All halls are equipped with the latest technology and communications, including high-speed Internet connectivity.

The halls can be used to run training courses, seminars, workshops and brainstorming sessions. Should the need arise, they can also be prepared with LCD TVs for presentations, as well as portable whiteboards and flipcharts.

This means your event can take place in a highly professional setting with a full set of services and resources at your disposal.

# CONFERRING ROOM

## Board Room

The Board Room, a top-tier meeting room established to accommodate important meetings and host VIPs, holds up to 12 seated delegates around one table. It is ideal for high-profile meetings in which the right atmosphere is important, but it can also be used for small, focused gatherings. The Room has a professional look and any additional equipment that may be required can be provided.

## Meeting Room

One of our largest professional meeting spaces, the Meeting Room is located on the fourth floor and has a holding capacity of up to 16 people. This room is most frequently used for major meetings and board of director's special gatherings.

# TAGIMETRIC

Through our TAGIMETRIC examination center, we offer a series of accredited international examinations in coordination with professional bodies. The proctored environment, enhanced by our use of the latest technologies, will help you sit for your exam.

Customized examinations and candidate assessments can also be taken care of, allowing any organization to use our dedicated staff and well-equipped facilities to assess potential candidates or administer their own examinations.

# TALAL ABU-GHAZALEH COLLEGE OF BUSINESS (TAG-SB)

Our training rooms are named after famous Jordanian and German cities: Berlin, Petra, Hamburg, Ma'in, Bremen, Madaba, Karak, Magdeburg, Jerash, Stuttgart, Aqaba, and Munich. Just like these great cities, we believe a commitment to learning is essential.

Whether you need a place to hold a soft skills seminar, or hands on technical training, we have a training room that's right for you! Located at 104 Mecca Street in Amman inside the Talal Abu-Ghazaleh College of Business, our facilities are easily accessible and parking is free.

Each training room is equipped with state-of-the-art equipment to facilitate your training needs. Our classrooms come in a variety of sizes and features and can accommodate groups from 2 to 180. White boards, computers, projectors, Internet access and catering are also available. Some rooms are even outfitted with smart boards which make it possible for an instructor to provide more interactive presentations.
