AGIP Signs Agreement to Protect IPRs of Saudi Arabia Airlines

The agreement is intended to build up cooperation and strengthen efforts between the two parties, as well as to formulate methods and mechanisms to protect IPRs.

“I am very pleased with this

new channel of cooperation which will ultimately serve in protecting Intellectual Property Rights in the Arab region and the world,” Dr. Talal Abu Ghazaleh said.

As a true global IP service provider, AGIP is continually striving to assist and support governments and multilateral organizations in enforcing the Intellectual Property Rights (IPRs).

New Procedures for Legalization of Power of Attorney in Syria

DAMASCUS – The Ministry of Foreign Affairs and Expatriate at the Syrian Arab Republic set new procedures for the legalization of Power of Attorney.

After strenuous efforts, in liaison with other parties, we could persuade the Syrian Foreign Ministry to receive the Powers of Attorney with an earlier signing date up to one year backdate, and the Ministry will, thereafter, proceed with forwarding the POAs to the concerned security departments. The POA procedures will be as follows:

The Foreign Ministry receives

the original POA giving receipt number and date, and then forwards this document to security departments for approval or rejection. If rejected, the original POA is retained with the Ministry. If accepted, the POA is further sent to the Interior Ministry, which in turn, will forward it to other security departments for clearance. Such procedures will take more than (4) months.
