

## AGIP Announces Global Fees Reduction

AMMAN – We are pleased, with the progress made during 2014, to offer you our new worldwide comprehensive decrease in the charges of our Intellectual Property services.

We, at AGIP, are constantly looking for new ways to improve client satisfaction and the value of our services. This includes reviewing our costs and pricing. We are pleased to announce that we have implemented some changes that allow us to increase efficiency without compromising quality. We want to share the benefits with clients by decreasing our fees.

Please click [here](#) to download our new prices booklet

## Chairman's Message

After four decades of developing our firm to international standards of excellence, continually seeking efficiencies and benefiting from economies of scale, we take this opportunity to share some of AGIP's milestones that have allowed us to reduce fees:

- Serving over 70,000 clients
- Registered over 400,000 trademarks
- Handled over 100,000 new IP instructions in 2014
- Serve 5,000 new clients annually
- Serving our clients worldwide through offices and multilingual representatives in every country of the world
- Operate fully digital, including our own dedicated high-speed secure ISP internet line and private cloud (TAG-Cloud)
- Flawless interface with our sister company, TAGLEGAL, the largest regional law firm of fulltime, specialized IP lawyers
- Employing our private comprehensive and unique IPPR database of TM and Patents registered in the region for in-house searches.

Our website, [www.agip.com](http://www.agip.com), displays now the new lists of decreased charges instead of the old ones.

Should you have any inquiry please contact [agip@agip.com](mailto:agip@agip.com)

Yours sincerely,  
Talal Abu-Ghazaleh
