AGIP Honored by Dubai Chamber of Commerce and Industry

DUBAI - In recognition of its valuable expertise and technical support provided to Dubai Chamber of Commerce and Industry in 2017, Abu-Ghazaleh Intellectual Property (AGIP) has been honored by the Chamber in a special ceremony held at the Chamber's headquarters.

AGIP was recognized for its significant role in safeguarding Intellectual Property Rights (IPRs) and providing the necessary technical advice, which aimed at promoting awareness on the significance of IPR protection and encouraging the Chamber to adopt best IP practices.

Head of Marketing at AGIP UAE Office, Mr. Mohammad Barbarawi, who received the award on

behalf of AGIP, said: "We are proud to be recognized by Dubai Chamber of Commerce and Industry. It demonstrates our commitment to work in cooperation with governmental organizations to improve the climate for intellectual property protection."

AGIP Participates in IAM Pharma and BioTech IP Summit

LONDON – Abu-Ghazaleh Intellectual Property (AGIP), represented by its Hungary office manager, Ms. Georgina Busku, participated in IAM Pharma and BioTech IP Summit, which was held in London, UK, February 8-9, 2018.

The event, which was held under the title: "IP Strategies for the New Political and Legislative Landscape", brought together leading IP experts from across life sciences. Participants discussed the latest IP strategies for thriving at a time

when regulatory and legislative changes are significantly affecting business models.

Commenting on her participation in this event, Ms. Georgina said: "It was a very successful event, and a great opportunity to meet with associates, decision makers and experts from across the IP industry to discuss the latest IP strategies."

Oman Adopts Eleventh Edition of Nice Classification

MUSCAT – The Eleventh Edition of the International Classification of Goods and Services for the Purposes of the Registration of Marks under the Nice Agreement (Nice Classification) has been officially adopted in Oman, according to the Trademarks Office.

The Trademarks Office is now ready to receive trademark applications for goods and services under the eleventh edition of Nice classification.

The Nice Classification is a system of classifying goods and services for the purpose of registering

trademarks. The system groups products into 45 classes, and allows users seeking to trademark a good or service to choose from these classes as appropriate.

Since the system is recognized in numerous countries, this makes applying for trademarks internationally a more streamlined process, and it is specified by the World Intellectual Property Organization (WIPO).

Tanzania Launches Online IP Registration System

DODOMA – The Tanzania Registry announced that all patents and trademarks services will be provided through online registration system as from January 4, 2018.

sign and scan the forms before uploading the application and making online payment.

The Registry announced that there will be no changes on the documents to be filed and the fees to be paid. The applicant will complete the forms online, print,

Trademarks Regularization in Angola

LUANDA - The Angolan Registry has requested the trademark owners to re-submit documents for all pending applications, renewals or records against trademarks with numbers 5,001 – 20,757 before December 26, 2018. Failure to re-submit these documents, will lead to the invalidation of the trademarks.

The documents required are as follows:

1. Power of attorney, incorporating a verified Portuguese translation, legalized up to an Angolan Consul.
2. Photocopies of the official filing forms, which include copies of the application as filed, with copies of any requests for renewal and/or any subsequent changes of ownership.

3. Certificate of incorporation/extract from the Commercial Register with verified Portuguese translation legalized up to an Angolan Consul.

This decision was started in 2015 when numbers 1 - 5,000 were the focus. The Registry is now continuing with this decision which aims to help regularize the official records, and improve the backlog. In the previous exercise, photocopies of the legalized supporting documentation were accepted provided that the authentication stamp was visible.

Second Updated Version of TAG-ICT Dictionary Issued

AMMAN - Talal Abu-Ghazaleh Organization (TAG-Org) has issued the second updated version of TAG-ICT Dictionary, after updating its input and inserting a new set of terms used in daily life, due to the fact that past months witnessed the launch of a large number of concepts, terms, technologies, application and protocols of communication.

HE Dr. Talal Abu-Ghazaleh, TAG-Org chairman, said in the dictionary introduction that ICT plays a significant role in our life, and helps our society change into a Knowledge society.

He added that the contribution value of individuals or groups is measured by the contributions produced by thought and innovation.

For example, it has been easy and necessary to teach the new generation throughout all stages, using electronic means.

Dr. Abu-Ghazaleh reiterated his intention to continue updating and developing the dictionaries issued by TAG-Org which are, in addition to TAG-ICT Dictionary: Talal Abu-Ghazaleh Intellectual Property Dictionary, TAG Dictionary of Legal Terms, TAG Accountancy and Business Dictionary, Talal Abu-Ghazaleh Dictionary of Patents and Talal Abu-Ghazaleh Collocations Dictionary.

He also explained that these publications aim at enriching the Arabic language references, and contribute to knowledge dissemination amongst students and all business sectors, through specialized scientific and professional publications.
