■ TAGIUNI Starts Registration for Six Sigma Green Belt & ‘Black Belt’ Certifications in Cooperation with Amity University

Talal Abu-Ghazaleh University College for Innovation

TAGIUNI has started registration for ‘Six Sigma Green Belt’ and ‘Six Sigma Black Belt’ online training courses for all interested participants.

Six Sigma certification includes the following:

1. Six Sigma Green Belt

The Certified Six Sigma Green Belt (CSSGB) successfully applies process improvement to businesses and organizations across all industries. CSSGBs are experts in identifying problems, analyzing data, and creating solutions to lower costs while improving quality.

2. Six Sigma Black Belt

The Certified Six Sigma Black Belt (CSSBB) is a professional who can explain Six Sigma

philosophies and principles, including supporting systems and tools. A Black Belt should demonstrate team leadership, understand team dynamics, and assign team member roles and responsibilities. Black Belts have a thorough understanding of all aspects of the DMAIC model in accordance with Six Sigma principles. They have basic knowledge of lean enterprise concepts, are able to identify nonvalue-added elements and activities, and are able to use specific tools.

TAGIUNI

TAGIUNI was established by HE Dr. Talal Abu-Ghazaleh in 2013 as a global educational alliance that facilitates distance learning by working in partnership with global professional associations.

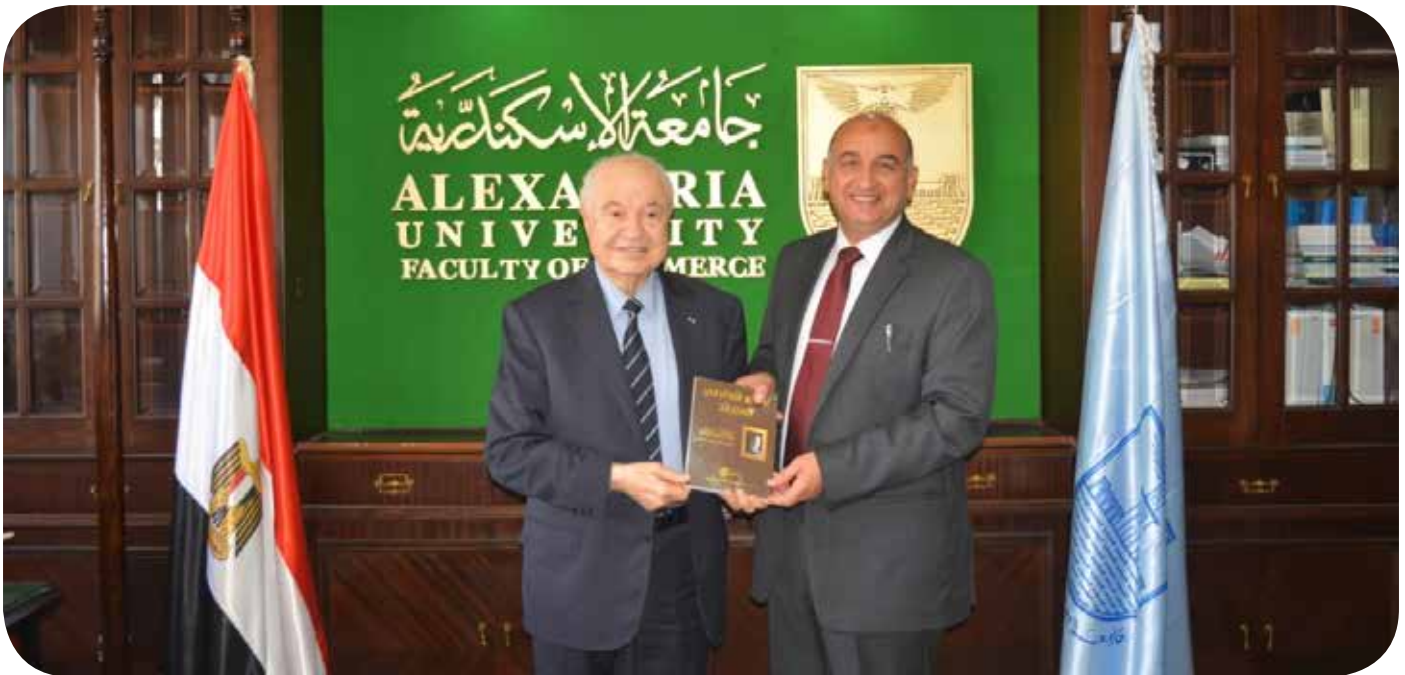

Since its establishment in 2013, TAGIUNI has secured partnerships with very reputable universities and training institutions such as University of Liverpool, Thunderbird School of Management and many other providers of online education, please visit our website www.tagiuni.com for more information.

Amity University

Amity University is currently a leading education provider in India. Amity University, Uttar Pradesh (AUUP), India, is a private university established under State Legislature. AMITY is the single largest private university in India, recognized by Govt. of India, and it has excelled in the education arena continuously for the last 15 years with 100,000 students, 22 campuses, 133 professional programs and 70 world class institutions.

Beside its regular programs, Amity has taken a step in this direction to provide online learning through Amity Center for eLearning (AUO) to give individuals and organizations the competitive edge. Amity University accredited degrees, at undergraduate & postgraduate programs are offered online.

■ ***During “Alexandria’s 17th International Conference on Entrepreneurship”***
Abu-Ghazaleh: The World Is Now on the Verge of a Mega Knowledge era

ALEXANDRIA - HE Dr. Talal Abu-Ghazaleh stressed that the world is now on the verge of an astronomical era of knowledge as a result of the quantum leap in the knowledge industry.

During his speech at the 17th International Conference organized by the Faculty of Commerce at the University of Alexandria entitled “Entrepreneurship for Enhancing Competitiveness of Arab Organizations in the Knowledge Economy”, Dr. Abu-Ghazaleh added that, as the CEO of Talal Abu-Ghazaleh Global (TAG.GLOBAL), he believes that the success of his group and its global leadership in the intellectual property industry mainly come as a result of its interest in information technology and investing therein.

Moreover, the conference was jointly organized by the Council of Arab Economic Unity (CAEU) of the Arab League as it was chaired by HE Ambassador Mohamad Al Rabie, and under the patronage of HE Eng. Amr Nassar,

Minister of Trade and Industry, Dr. Essam El-Kurdi, President of Alexandria University, and with the presence of Eng. Farag Amer, Member of the Egyptian Parliament and the Chairman of the Industry Committee.

In his speech, Dr. Abu-Ghazaleh explained that throughout both his career and life, he has found that the best blessing is in facing and overcoming tough challenges, which forms the basis for his books entitled “Blankets Become Jackets and Selected Stories of A Life Blessed by Suffering”, and “The Brave Knowledge World” which is the latest of his writings.

It is worth mentioning that Talal Abu-Ghazaleh Global (TAG.GLOBAL) is renowned through its global presence providing integrated professional services through 106 offices worldwide and ranking first internationally in terms of quality of services.

■ Talal Abu-Ghazaleh University College for Innovation Holds Executive Program in Data Science and Big Data Analytic

AMMAN - The Consultancy and Training Center at Talal Abu-Ghazaleh University College for Innovation (TAGUCI) held the Executive Program in Data Science and Big Data Analytic.

The program aims at providing participants with the concepts and skills related to Big Data analytics and processing, as well as introducing them to the techniques of Data Science.

Furthermore, the program enhanced communication and database skills represented by Big Data to enhance and develop the predictive technologies in different sectors to offer the best service at a lower cost and higher

profit. The program also tackled the theoretical aspect of Data Science.

At the end of the program, certificates accredited by TAGUCI and the Ministry of Higher Education were distributed to participants.

It is noteworthy to mention that TAGUCI is a University College specialized in business and information technology. It aims at providing the appropriate environment for creativity and innovation through modern learning methods while granting students the potential to transform their ideas and inventions into marketable products.

■ Abu-Ghazaleh: ASREN to join perfSONAR network

AMMAN - As one of the main regional research and education networks, the Arab States Research and Education Network (ASREN), will join and deploy the perfSONAR network at both national and regional levels.

perfSONAR is a tool for end-to-end monitoring and troubleshooting of multi-domain network performance. perfSONAR provides network engineers with the ability to test and measure network performance, as well as to archive data in order to pinpoint and solve service problems that may span multiple networks and international boundaries. perfSONAR is currently deployed in over 1,700 locations around the world, and is extremely valuable

when doing network troubleshooting. perfSONAR has been developed through an international collaboration led by Internet2, ESnet, Indiana University, and GÉANT.

In cooperation with Indiana University and in support of AfricaConect2, EUMEDCONNECT3 and NEAAR projects, ASREN is holding a technical workshop during 15-18 April 2019 in Rabat Morocco. The workshop will be hosted by Centre National pour la Recherche Scientifique et Technique (CNRST).

During the workshop, the Arab perfSONAR mesh will be implemented and Arab NREN representatives will be able to deploy its own perfSONAR node to be part of the regional mesh. This will enable ASREN and its member NRENs to monitor and troubleshoot network performance in multi-domain network.

Chairman of ASREN HE Dr. Talal Abu-Ghazaleh said: "We are proud at the Arab States Research and Education Network to join the perfSONAR network so that our engineers and network managers can do end-to-end monitoring and troubleshooting.

■ ***Abu-Ghazaleh Selected Chair of Palestinian National School Orchestra***
First Performance of “Talal Ibn Adeebah” Children’s Play Presented at Talal Abu-Ghazaleh Knowledge Forum

AMMAN - Under the patronage of the Palestinian Minister of Education & Higher Education, HE Dr. Sabri Saidam and in the presence of HE Dr. Talal Abu-Ghazaleh, the first performance of the “Talal Ibn Adeebah” children’s play was presented at Talal Abu-Ghazaleh Knowledge Forum (TAG-KF).

The Cast of the “Talal Ibn Adeebah” play included Palestinian students who came from Nablus, Palestine, to present the play which was organized within the framework of Palestinian cultural activities held in Amman. The play is based on the “Talal Ibn Adeebah” story which represents the Palestinian cause depicting the life story of Dr. Abu-Ghazaleh, illustrating the hardships suffered by displaced Palestinians, their strength in overcoming pain, and the challenges they endured to

achieve great success armed with patience and determination.

Due to the inspirational and motivational values and important life lessons it disseminates, the story was approved as a part of the elementary school curriculum in some Arab and western countries. Moreover, some schools, initiated by the Palestinian ones, adapted the story as a children’s theatrical performance attributed to its outstanding educational and moral significance.

On the sideline of the play's first performance, and in a meeting held at Talal Abu-Ghazaleh Global, Dr. Abu-Ghazaleh in the presence of Minister Saidam and a host of representatives of the Palestinian Ministry, extended gratitude to the General Director of Student Activities at

the Ministry, Mr. Sadiq Al-Khadour for taking the initiative to adapt the story into a theatrical performance which will be presented in different Palestinian cities including Jaffa, the hometown of Dr. Abu-Ghazaleh, the city of Acre, Nazareth and Haifa.

During the meeting, Dr. Abu-Ghazaleh was selected as Chair of the Board of Trustees of the Palestinian National School Orchestra, for which he profoundly expressed his pride in accepting this nomination.

Furthermore, Dr. Abu-Ghazaleh presented one thousand TAGITOP devices to students at Palestinian schools to be distributed by the Palestinian Ministry of Education & Higher Education.

It was also agreed that HE Dr. Amin Mahmoud, former minister of Jordan Higher Education and the Senior Advisor on Education at TAG. Global, and the Palestinian Minister Saidam would prepare the 'Arab Commission for Quality in Education' project which will be presented at the Education Conference to be held next September in Cairo at the headquarters of the League of Arab States under the patronage of the Secretary-General of the League.

Dr. Abu-Ghazaleh concluded by expressing enormous pride in the fact that the illiteracy rate in Palestine is the lowest in the world for the age category ranging from (6-24 years old).
