■ Talal Abu-Ghazaleh International University Holds More than 700 Proctored Exams in December 2017

AMMAN - Talal Abu-Ghazaleh International University (TAGI-UNI) announced that TAGIMETRIC, its proctored testing center, held more than 700 exams in December 2017 for the EU funded project; Language and Academic Skills and E-Learning Resources (LASER).

Accordingly, TAGI-UNI and its partner Amity University held more than 700 exams in December 2017 for Syrian and Jordanian students in Amman and Irbid, through the stations of TAGIMETRIC center.

TAGIMETRIC, equipped with web-accessed monitoring services and student authentication facilities using the latest biometric technology, is staffed with highly trained professionals with a wealth of experience in providing first-class services to private businesses, educational institutions and corporations.

These services are designed to address the demand for entry and exit tests, skill level exams and much more, for a range of well-known online and traditional examination providers.

TAGIMETRIC is an accredited examination center for international associations including the British Council, Pearson VUE, Edexcel and other international online universities and training providers.

■ Talal Abu-Ghazaleh Organization and Al Motahida Launch TadribOnline Platform

AMMAN - Talal Abu-Ghazaleh Organization (TAG-Org) and Al Motahida Education Group launched an online training platform called TadribOnline under the patronage of HE Dr. Talal Abu-Ghazaleh and Chairman of Al Motahida Group Mr. Mohammad Eliwa.

The launch of TadribOnline comes in line with Dr. Abu-Ghazaleh's vision to disseminate digital education and training due to its significance and impact on societies.

Moreover, Dr. Abu-Ghazaleh stressed the importance of introducing a new perspective to education by shifting from teaching to learning where the mission of a teacher is guidance and mentoring, highlighting the various positive aspects of digital education.

Dr. Abu-Ghazaleh also underlined the importance of creativity and innovation mainly in the field of

knowledge and ICT stating that this is the path to the future, success and wealth.

For his part, Eliwa said that Al Motahida Education Group is a pioneering company in the field of education in the Arab world carrying out a number of initiatives and contributions in digital publishing, production of educational content as well as investments in smart and digital education to establish and develop education into a comprehensive industry.

He pointed out that Al Motahida launched a number of distinctive digital platforms and received international awards stating that TadribOnline is expected to have a great impact on digital education.

Meanwhile, Mr. Ramez Quneibi, TAG-Org Executive Director and manager of the project noted that TadribOnline aims at improving

levels of professional training among students and professionals and enhancing their practical capacities and expertise in various domains by offering them remote training using advanced digital methods.

He added that the platform offers a host of specialized online courses catering to different levels to help professionals all over the world acquire skills they need in their work and, at the same time, to develop education, training and knowledge sectors in the Arab world.

Dr. Fahmi Al Balawneh, CEO of Al Motahida and Director of HAWWAZ Platform (Implementing Partner) presented the features of TadribOnline educational platform and the interactive programs

supported by multimedia that are available on it.

He said that each course on the Platform has been prepared by the best accredited experts and trainers using the most advanced interactive tools and innovative digital learning, adding that the courses and programs are available on the website: www.tadribonline.com and interested applicants may communicate with the Platform through the email: info@tadribonline.com.

TadribOnline offers professional training in various fields including accounting, finance and banking sciences, digital marketing, project management, entrepreneurship, Intellectual Property and Trademarks as well as quality management.

■ Start Your MBA Based on MOOC Today!

TAG-DU is based on the belief that education is a human right and not a privilege for the few who can afford to stay out of the workplace and physically attend local professional programs.

For this purpose, TAG-DU invites you to explore the nine disciplines in which diplomas are granted and select the discipline of your choice. In this issue, we are going to introduce “TAG-DU Diploma in Business and Entrepreneurship”.

This program gives you the opportunity to gain extensive knowledge and understanding of the principles and practices behind key business management subjects.

The suggested sequence consists of seven courses; the candidate needs to complete five courses and provide certificates of completion for each course taken.

We introduce to you 7 Massive Open Online Courses, offered by international institutes, and you are only required to complete five out of the seven courses listed for this specialization in order to receive the diploma.

The suggested sequence of courses:

Course 1: “English for Business and Entrepreneurship”, offered by the University of Pennsylvania, through the platform of Coursera.

Course 2: “People Management for Entrepreneurs”, offered by the Indian Institute of Management, through the platform of edX.

Course 3: “Creativity & Entrepreneurship”, offered by Berklee, through the platform of edX.

Course 4: “Entrepreneurship 1: Developing the Opportunity”, offered by the University of Pennsylvania, through the platform of Coursera.

Course 5: “Entrepreneurship 2: Launching your Start-Up”, offered by the University of Pennsylvania, through the platform of Coursera.

Course 6: “Developing an Entrepreneurial Mindset: First Step Towards Success” offered by Michigan State University, through the platform of Coursera.

Course 7: “Introduction to Financial Accounting” offered by the University of Pennsylvania, through the platform of Coursera.
