TAGI-UNI is the people's gateway to the world's best education, promoting global citizenship and individual responsibility. Under its mission "to make accredited educational programs accessible to everyone, everywhere", TAGI-UNI uses partnerships - comprised of a network of universities, non-government organizations, training institutions, and language schools - as its modus operandi to deliver comprehensive education to a global student body. Thus, digital education provided by international institutions compels individuals to understand their interdependence and their interconnected roles in the modern world.

With its vision of "world-class education as a human right", Talal Abu-Ghazaleh University seeks to democratize education through a system of channels to open students' dialogue with one another, therefore putting the quality of interaction in their hands. TAGI-UNI makes it possible for the transforming societies to embrace new concepts emerging from the ground up, given that accessibility to education is paramount for maximizing these societies' potential.

Talal Abu-Ghazaleh University provides boundless world-class higher education across the globe to learners who may be unable to afford the costs of travel. All programs offered are of the highest caliber and relevant to global job market needs.

■ ‘Abu-Ghazaleh University College for Innovation’ Concludes Executive Diploma in ‘Artificial Intelligence and Data Science’

AMMAN - The Consultancy and Training Center at Talal Abu-Ghazaleh University College for Innovation (TAGUCI) concluded the Executive Diploma in Artificial Intelligence (AI) and Data Science, the first of its kind at the Arab world level.

TAGUCI offered the 300-hour diploma for

various specializations and sectors targeting different segments of the society including school and university students, employees and those interested in AI and Data Science. During the course, participants were introduced to methods of analyzing, processing and exploring the future of Big Data and Data Cyberspace, to keep pace with the latest developments in science and technology.

Talal Abu-Ghazaleh University College for Innovation (TAGUCI) is a University College specialized in applied business and information technology. It is an independent educational institution accredited by the Jordanian Ministry of Higher Education and the Accreditation and Quality Assurance Commission for Higher Education Institutions. TAGUCI focuses on providing the youth with the appropriate environment to become IT leaders, as well as empowering graduates to innovate and create knowledge and transform it into marketable products.

■ Abu-Ghazaleh Participates in ‘Quality of Education: Proactive Value for Life’ Regional Seminar

AMMAN - HE Dr. Talal Abu-Ghazaleh, founder and chairman of Talal Abu-Ghazaleh Global (TAG.Global), participated as keynote speaker in the regional seminar entitled ‘Quality of Education: Proactive Value for Life’, that was organized by the Regional Center for Quality and Excellence in Education (RCQE) - under the auspices of the United Nations Educational, Scientific and Cultural Organization (UNESCO) in the Kingdom of Saudi Arabia.

In his keynote speech, Dr. Abu-Ghazaleh highlighted the significance of shifting from education to learning especially in

our ‘Knowledge Era’, adding that the aim of learning should be for innovation which requires empowering teachers and students to use innovative tools to master digital learning.

“For this purpose, Talal Abu-Ghazaleh University College for Innovation (TAGUCI) was established, as we previously had developed assessment, monitoring and review processes carried out by the Arab Organization for Quality Assurance in Education (AROQA),’ Dr. Abu-Ghazaleh said, adding that: “Today, we are cooperating with the RCQE – UNESCO to develop an accreditation standard for innovation.”

Dr. Abu-Ghazaleh also affirmed the importance of the shift from the school textbook and the school bag for meeting students' needs towards digital and technical learning, with the aim of graduating knowledge and innovators, not job seekers, pointing out that AI should be an added-value to human memory and intelligence.

In conclusion, Dr. Abu-Ghazaleh expressed his appreciation and thanks to the Regional Center for Quality and Excellence in Education (RCQE) for organizing the seminar in cooperation with UNESCO, emphasizing the positive impact of the seminar on shedding light on innovation, AI and digitalization.

■ **Start Your MBA Based on MOOC Today!**

Talal Abu-Ghazaleh Digital University (TAG-DU) is based on the belief that education is a human right and not a privilege for the few who can afford to stay out of the workplace and physically attend local professional programs.

For this purpose, TAG-DU invites you to explore the nine disciplines in which diplomas are granted and select the discipline of your choice.

In this issue, we are going to introduce courses in Personal Development: This program gives you the ability to develop your competencies, develop your strengths, and learn the keys of success in your future career. You will learn the most important competencies which will increase your competitiveness among your peers. The suggested sequence consists of seven courses; the candidate needs to complete five courses and provide certificates of completion for each course taken.

These courses are:

- English for Career Development
- Self-Assessment - Developing Your Strengths
- Career Development: Skills for Success
- Problem Solving and Critical Thinking Skills
- Communication Skills and Teamwork
- Career Brand Development and Self-Coaching
- Advanced Interviewing Techniques
